BUTTS and PIECES

ASSHOLE OF THE MONTH

Common sense dictates that without guts, shitting is impossible. Proving this theory wrong is Allan Huber "Bud" Selig, whose gutless turd-birthing has made him HUSTLER's Asshole of the Month for June 2000.

Selig, 65, is the Commissioner of Major League Baseball, a powerful position created by the game's pioneers to provide an influence from "fields other than baseball" whose "mere presence would assure that public interest would first be served, and that, therefore...all existing evils would disappear."

In Selig, this charter should be amended to read "appointed stooge for ball-club owners," the public-gouging cabal of money men Bud joined in 1970 when he acquired the Milwaukee Brewers.

Selig became MLB's chief executive after spearheading the owners' 1992 coup that forced then-Commissioner Fay Vincent from the position for being too evenhanded. The requirement that the Commissioner should act "in the best interests of baseball" has never recovered.

"I think, overall, the office is clearly strengthened," Selig opines.

For Selig, this $1-million-a-year role has primarily entailed ducking responsibility. When backbone is called for, Selig appoints a committee to study the matter in hopes that it will disappear.

Owning a team while regulating team-owner conduct is an apparent conflict of interest, which Selig attempted to obscure by transferring Brewers ownership to his daughter, Wendy, in 1998. The former car salesman notes, "I think other owners will agree" that there's no untoward pro-owner bias.

Selig's ostrichlike guardianship has nearly killed the game he's been appointed to protect. During the 1994 players' strike, as negotiations were mired in a shit storm of greed, Selig falsely assured the public that he was on the case.

"If there's any reason, I'll be back [to the negotiations] fairly quickly."

Selig's foot-dragging led him to cancel the 1994 World Series. The net result of his fumbling was an $850-million loss of revenue and a national disgust with the game.

As with most matters that don't promise to fatten owner coffers, Selig largely disregarded the public's outrage over the strike. In the face of an 11.7% drop-off in game attendance following the aborted season, the Commish declared, "I believe baseball is more popular today than ever before." Selig then rewarded fans for their imaginary continued allegiance by nearly doubling the price of World Series tickets.

To shake his jellyfish image, Selig plays the role of moralist. Pete Rose, the game's all-time hits leader, was banned after being accused of gambling. Polls indicate that the majority of baseball fans want Rose to be eligible for the Hall of Fame, an impossibility under the ban. Ignoring his pledge to assure "that public interest would first be served," Selig has refused to consider Rose's case.

Earlier this year, Selig fined Atlanta Braves reliever John Rocker $20,000, suspended him for four months and ordered him into psychological evaluation for comments the pitcher made during a *Sports Illustrated* interview. Venting after bottles were hurled at him by New York Mets fans, Rocker had issued disparaging remarks about gays, foreigners and Asian drivers.

"We will not dodge our responsibility," bumbling Bud chest-thumped, radically breaking character.

"Mr. Rocker," Selig huffed, "brought dishonor to...major-league baseball."

Correction: Selig has dishonored major-league baseball. Rocker may have stepped in a steaming pile, but not as deeply as some of his less-chastised colleagues.

After spitting in an umpire's face, Baltimore Oriole Roberto Alomar received a five-game suspension with pay. Pleading guilty to spousal abuse, Denver Rockies pitcher Pedro Astacio avoided suspension and fines altogether.

Is Selig suggesting that offensive free speech is worse than spitting in a fat man's face or wife-beating? Or is Bud Lite merely incensed that Rocker had the nerve to express an opinion, something that the terminally timid Selig has never been capable of doing?

Don't ask Bud; he'd rather not evaluate his own job performance.

"I'll let history determine what kind of Commissionership this was."

No need to wait on posterity's verdict, Bud; you've already proven yourself to be a major-league Asshole.

FARTS IN THE WIND

Alan Keyes: Attempting to drive his antiabortion message home, the outer-fringe Republican Presidential candidate struck rabid terror into the heart of evil: ten- and 11-year-old schoolchildren. "If I were to lose my mind right now and pick one of you up and dash your head against the floor and kill you," Keyes asked the tots, "would that be right?" *If* you were to lose your mind? Why not threaten to run over their pets too, Asshole?

Naomi Campbell: After initially denying the charges, supermodel Campbell pleaded guilty to bashing her former assistant in the head with a telephone and received an absolute discharge. Apparently overwhelmed by the harsh justice dispensed to her, Campbell announced shortly thereafter that she's taking a break from being a grotesquely overpaid mannequin. "I just find it very stressful," Campbell sighed. Maybe that's because she's moonlighting as an Asshole.

Crosby - pills; Cash - at Young

What becomes an old, decrepit legend most? Designer-dyke offspring! Hollywood lesbos Melissa Etheridge and Julie Cypher hatched the trend by importing skeevy dinosaur rocker David Crosby's genetic drippings into Cypher's underfucked womb. If Crosby's history means anything, both of the resulting children might as well reserve their rooms at the Betty Ford Clinic now.

HUSTLER wonders: Is there a little bit of doddering-rocker slop in the whelps of any other reputed sapphist showbiz moms?

Were **Sandra Bernhard**'s pronounced Jewish features and off-key singing genetically reinforced by **Bob Dylan**'s Semitic seed?

Did **Neil Young**'s protogrungy, THC-enriched pollywogs find the director's cut on rumored rug-muncher **Jodie Foster** to create Little Man Toke?

Contest: Sighted Stevie Says...

When the staff of America's Magazine learned that Stevie Wonder might regain his sight through an experimental surgical procedure, we knew there was a joke in there somewhere. We just couldn't figure out what it might be. HUSTLER leaves it up to you to see the humor in a sighted Stevie Wonder. Write down the word or phrase that belongs in the blank above and send it to:

In the Beginning, God Created Genesis

I'm home after purchasing the March 2000 issue of HUSTLER. On the cover sits a beautiful, blond girl who, thankfully, is also the centerfold. Her name is Genesis (*Genesis: Urbane Outfitter*, March 2000); how appropriate. Gazing at that perfect body of hers sparks the beginning of many wonderful thoughts. Has Genesis been in any other layouts that I may have missed? If so, please let me know which issues. I have seen some of your girls venture into the world of porn. Will I be lucky enough to see Genesis sucking a stiffy on video any time soon? If not, I would be content to see more pics of Genesis. I know you guys take a ton of extra pictures during photo shoots; please share them with your readers. Thanks for filling the need for exemplary female anatomy. —L. J.
Dallas, Texas

Genesis has never yet appeared in XXX, but she is scheduled to run in a boy/girl layout in the July 2000 HUSTLER. Until then, we hope the bonus shot of Genesis on this page will suffice.

See-Through Dildo Too Hard

What's the fucking deal with the clear, see-through dildos that were used in your lesbian pictorial (*Alexandra and Vivi Anne: On the Outskirts*) in the March 2000 issue? They look like they're made out of hard plastic instead of soft, spongy material that has some give to it. These hard-plastic dildos look like they could hurt a gal. In fact, the brunette in the pictorial appears to be wincing in pain in one shot while the redhead is plunging her asshole with the dense, cocklike weapon. Why would you risk hurting prime HUSTLER pussy with such things when the real thing is much safer? —S. W.
Traverse City, Michigan

You are absolutely right to worry about hardened dildos, but you must understand that Alexandra Nice and Vivi Anne are seasoned dildo professionals. The clear phalli in question were designed to fit into well-trained, hard-core pussy. The clear dildo acts as a magnifying lens, adding extra visual delights for Alexandra and, by extension, the reader. Rest assured that the insertee escaped from the HUSTLER pictorial unscathed and has reemerged in the world of heterosexual X-rated video, as has her dildo-wielding lesbian lover Vivi Anne.

Genesis: Urbane Outfitter

Seeks Seka

In the modern age of porn and computers, I have found ordering HUSTLER products from your Web site (www.hustler.com) to be easy and hassle-free. I love my new HUSTLER T-shirt! I also picked up the premiere issue of HUSTLER XXX—*wow!* I've got to hand it to you guys; HUSTLER XXX is super-hard and worth every dollar I spent. I'm also a regular HUSTLER subscriber, and I was wondering if you had any pictures of porn legend Seka that you could reprint in a HUSTLER Classic layout. She still has many fans, such as myself, and HUSTLER is the place for her to be. Thanks for your time and your fantastic work. —M. P.
Napa, California

Seka is certainly a star worthy of reexamination. The HUSTLER Research Department has been instructed to scour the vaults for Seka photo-sets. For your sake, and for the sake of Seka's many followers, let us pray that the platinum-blond sex goddess posed for a HUSTLER lensman at some point in the past century.

Lower Lipstick Kisses

I've been purchasing your wonderful HUSTLER Magazine for the past ten years, and I have an idea that I've not yet seen in your publication whose time I think has come. Could you have your HUSTLER centerfold apply lipstick to her pussy so her pisser matches her kisser?

FEEDBACK

You could then stage a competition to see who has the most awe-inspiring bottom lips. If this idea works, I would like to know if I could be compensated with enough money to buy a used car. —S. Z.
Chicago, Illinois

Dear sir, the female genitalia must be treated with respect! Are you a rogue circus clown on a mission to turn HUSTLER Honeys into laughingstocks just so you can purchase a new clown car? Why don't you glue some googly eyeballs to your dick and dance around the house naked? The penis is ripe for ridicule, but the female privates are designed for adoration.

Foreskin Ripoff

Thank you for publishing the article on circumcision and foreskin restoration by Richard Linnett in your March 2000 issue ("Turtleneck Envy: Pud-Pullers Stretch for Extra Inches," *Sex Play*). How any self-respecting man can believe that cutting off part of his penis—let alone the most erogenous part—is anything but a crime is beyond me. The urge to circumcise must be some sort of highly contagious mental illness. Anything that harms human babies is the enemy of humanity. Chopping cocks kills pleasure, sex lives, marriages and human wholeness. Doctors should be banned from mutilating babies' penises. Why isn't there a public outcry? Why isn't this medical ripoff offensive to all sexual beings? Is everyone blind? There are none so blind as those who will not see, even if what they're not seeing ain't there anymore. What's missing is sexual wholeness for circumcised men and their sex partners. Obviously, saying otherwise is pathetic self-delusion or outright lying. Only the truth can set us free. —V. L.
via Internet

Re-JEW-venated Foreskin

As a nice Jewish man who has already restored his foreskin using a technique described in your March 2000 *Sex Play* ("Turtleneck Envy: Pud-Pullers Stretch for Extra Inches"), I can tell you for certain that circumcised American men have been royally ripped off. Having a foreskin is like having a pair of warm lips at the end of my cock for me to use whenever I damn well please. Anyone who seriously studies American history can tell you exactly why the medical community wanted to lop off foreskins in the first place: to curb masturbation. Every antisex fanatic from the 20th century, from Dr. John Harvey Kellogg to Dr. Laura Schlessinger, knows why prepuce genocide is allowed to continue: so men can't use their long foreskins to jack off, without lube, to your magazine! Men go to all the trouble of restoring their foreskins because it's worth the effort (and less of a hassle than castrating our circumcisers!). Now, the end of my dick is kept warm and snug with a fleshy skullcap until I'm ready for action. When flying solo, I rub my reclaimed foreskin over my cock head like a woman's wet lips. My woman tells me that my new foreskin licks her deep inside while it glides smoothly over my schlong with each delicious stroke. Yep, having a foreskin is a pleasure—a fucking pleasure! Learn more about foreskin restoration at www.RestoreYourself.com.

Tugger's Tit for Tat

I just read the *Sex Play* in your March 2000 issue ("Turtleneck Envy: Pud-Pullers Stretch for Extra Inches"), and it sounds to me as if writer Richard Linnett has never seen, let alone experienced, a whole Richard, or he would know the pleasure those inches of skin and nerve endings can bring. If a tugger gives himself stretch marks, he's pulling too hard. Rejuvenated foreskin is more like the growth of an ear with a heavy earring—but the stretching of foreskin doesn't even take as long as stretching an ear does. One friend of mine grew an overhang in 18 months, and he's a big boy. As for "an overfocus on cocks," what's up with all those doctors in white coats who are so keen to hack the bits off in the first place? —H. Y.
Pukerua Bay, New Zealand

NORMal Foreskin

In HUSTLER's March 2000 issue, there's an article on foreskin restoration that neglected to mention the National Organization of Restoring Men (NORM), which has been in operation for ten years and is still going strong. NORM provides information on restoration methods and devices. You only mentioned one product, when there are several others that are available: Foreballs, the Tugger and Recap-ez, to name but a few. Visit the NORM Web site at www.norm.org and read the book *The Joy of Uncircumcising!* by Jim Bigelow, Ph. D. This book is considered the bible of foreskin restoration. Join the new cultural NORM and restore the lost sensitivity. NORM can be contacted at 3205 Northwood Drive, Suite 209, Concord, CA 94520-4506. —R. W. G.

Dear SLUT

JEANNA FINE TELLS THE FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

BIG-ASS PUSSY

I'm a 36-year-old male, and I've recently begun dating a 41-year-old woman. I thought I had fucked and sucked in every way imaginable, but this older lady has introduced me to a whole new world of sex. One night, I slid four fingers into her pussy, and she went into orbit. Ever since then, she's been obsessed with stretching her cunt so I can fist-fuck her. Lately, she's taken to masturbating with a one-liter soda bottle in order to expand her pussy hole. I do want to fist her, but the last thing in the world I want to do is hurt her. I have never deep-fisted a woman before. Will I mess up my partner's innards? How can I please my woman while being safe? —J. D.
via Internet

If your ol' lady can take a liter bottle up her snatch, you should be able to clap inside that hole! How-to fisting videos are difficult to find in the U.S., but you might be able to pick up an instruction manual at an adult-book store, especially a place that specializes in gay and lesbian material. Tina Tyler fists the very petite Chloe in Chloe's "I Came, Did You?!!", but, unfortunately, the actual fisting scene is censored. For your information, many uncut fisting tapes can be purchased directly through the mail. After you've done the research and are ready to take the plunge, make sure that your lady's vagina is thoroughly lubed. She'll require extra stimulation and foreplay before you start punching her guts; so be careful. Don't make an actual fist; curl your thumb over to touch the base of your pinkie and form a pear-shaped wedge with your fingers for easier insertion. A woman's cunt can spit out nine-pound babies, but she may still have some trouble tackling a well-lubed, loving and carefully burrowing hand. Happy fisting is cautious fisting.

SELF-MADE WOMAN

I want to become a she-male superstar, but I don't have enough money to buy implants. Are there any pills I could take to develop my breasts? If there are, could you send me some? I will gladly pay you for them. It would be easier for me if you send me the pills, because I'm too embarrassed to ask a doctor. —N. R.
Crockett, California

First of all, you can count the world's she-male superstars on one hand. Have you seen any she-male videos? You really ought to scope out your competition before diving into transsexualism. Yes, there are pills that claim to make women's breasts grow, but men need female hormones to spur breast growth. Hormones can only be prescribed by a doctor, and I am not even a pharmacist. If I had a spare bottle of estrogen in my medicine cabinet, I would not send it to you. Taking hormones without consulting a physician not only endangers your general health, but also your cock—and you can't be a she-male without a dick. You need to do your research before popping titty pills. Seek out she-males in your area. Find out where the nearest drag revue is, introduce yourself to the host/hostess and express your need for advice. Drag queens have many tricks of the trade to give the appearance of abundant cleavage without taking any hormones: padded bras, duct tape and makeup. It is a widely held belief in exotic-dancer circles that drag queens have the absolute best asses and legs; so you may be jealous of my tits, but I wish I had your legs and your ass. As they say, the grass is always greener....

CAN'T PEE DURING SEX

My girlfriend and I have a very healthy sex life. We enjoy all sorts of bedroom games, but our favorites involve golden showers. My girlfriend has provided me with her golden nectar. She would like to piss while we are having intercourse, but, so far, my peeing playmate has been unable to do so. She drinks plenty of fluids, and she has to piss like a racehorse before I stick my cock inside her, but no matter

Dear Slut

I give myself an enema before a scene to evict any unwanted rectal tenants. Inserting a finger in my crap hatch as a final check also helps to bolster my pre-sodomy peace of mind.

how much she squeezes her bladder, she's unable to relieve herself during our lovemaking. Is it possible to pee during sex or not? Please let me know before my girlfriend floats away! —N. C.
Tucson, Arizona

Just as it is impossible for a man to pee with a raging hard-on, logic tells me that a woman will not be able to piss while she's being banged. The pressure of a man's dick inside her vagina would close the urinary tract. I worry that fucking your girlfriend while she's carrying a full tank of urine might result in a bladder infection. If you're intent on being splashed with pee during the act, you'll need to momentarily remove your wet willy from her sopping cooch. On occasion, I've had visions of my man filling my womb with piss while I frig myself to orgasm, but the male internal plumbing won't allow for this. While I am not a doctor, it stands to reason that a woman is also incapable of such extraordinary watery feats.

AN ANGRY INCH

I have an unusually small penis (one inch). I'm also still a virgin and fear that I'll always be one. I'm 24 years old and six feet tall, but I have no confidence when I'm talking to girls. My penile inadequacy causes me to feel inferior, and I don't know what to do. Can a man actually fuck with an angry one-incher? Is there any way to increase the size of my fuck morsel? —P. S.
via Internet

I think that you're putting the cart before the horse. You must first meet a woman that you feel comfortable and friendly with before you consider bedding her. In your case, a first-time one-night stand might have disastrous results. In my case, if my partner can stimulate the clitoris between my eyes—i.e., my brain—I really won't care what size his dick is. The average size for a penis is said to be six inches, but after years of seeing hundreds, if not thousands, of cocks, I think six inches may be stretching the truth. I have had many lovers who considered themselves underendowed who were more than able to satisfy me. In fact, many of these men were exceptional lovers because they were forced to rely on their imaginations instead of the size of their dicks. There is nothing more exciting to a woman than a man with confidence and imagination; these qualities will come to you with dating experience. Expand your heart and soul, and your cock will be loved simply because it is part of you.

SHITTY DICK

I've seen you in countless anal scenes over the years, and you seem to really enjoy taking bones up your keister. Have you ever accidentally shit on a stud's cock? —M. M.
via Internet

The unglamorous fact is that anal sex requires certain preparations beforehand, whether the anal sex occurs on camera or with a trusted lover. Spicy Mexican food the night before a butt-fuck scene might not be the best idea. The worst-case scenario you are inquiring about is every anally inclined woman's worst fear, but, fortunately, it has never happened to me. The advice I was given by other porn stars was to give myself an enema before a scene to evict any unwanted rectal tenants. Inserting a finger in my crap hatch as a final check also helps to bolster my pre-sodomy peace of mind.

JEANNA FAN

I'm a huge fan of yours, Jeanna, but I've tried contacting you twice and never heard back. Do you have a fan club or a Web site? If so, what is your current address online and/or off? —G. P.
Seabrook, Texas

After several years of having other people mishandling my fan club and repeatedly ripping me off, I finally decided to take care of all correspondence and fan inquiries myself. When writing to me, please only ask one or two questions—short and sweet—and always include a self-addressed, stamped envelope. If you're requesting a free 8x10 photo, provide an envelope that's bigger than the size of the picture with your address and at least two 33-cent stamps to cover the postage. My new fan-club address is: Another Fine Mess, PMB 313 Hanover Place, Hicksville, NY 11801-5103. My youngest brother has set up my Web site address, jeannafine.net. Please be patient as Jeanna Fine Inc. is now, finally, family owned and operated!

Tara + Mark

Lewd Beach

PHOTOGRAPHY BY CLIVE McLEAN

After a few seconds on the nude beach, Mark is plagued by a raging stiffy.

"A true naturist isn't supposed to pop wood when confronted with the female form," Tara admonishes the restive prick. "Your boner is embarrassing me. I guess I'll have to do something about it," Tara sighs, spitting on her palm and stroking Mark's agitated tool. After ten minutes of head-bobbing, Tara's neck cramps up.

"Only pussy can take down a woody this big," Mark advises.

The salty aroma of Tara's conch beckons Mark's member. The randy nudist plows Tara's muff, slamming the bronze beach bunny's ass deep into the sand. Mark pulls out and douses Tara with a stream of jizz. Breathless, Tara fingers her puckering quim.

"I can't take you anywhere," Tara huffs.

"True," Mark pants, "but I always manage to come with you anyway."

Spare Innocent Britney

You people make me sick! How dare you drag Britney Spears down to your level—she's just a child ("Britney Speared," *Bits & Pieces*, February 2000)! Young girls across America worship her. She's a role model for goodness, for Christ's sake! Britney never hurt anyone; shame on you!

Fuck Britney

I've been a rabid fan of HUSTLER Magazine for more than 20 years. You never fail to make an old cock hard with your hot pictorials and parodies. Your ad parody featuring Britney Spears ("Britney Speared," *Bits & Pieces*, February 2000) was worth the cover price alone! While all the teenage boys jack off, dreaming of banging Britney's cunt and ass with their little dicks, I gazed at Britney Speared on the cover of *Rolling Bone* with contempt. I'd love to stuff my eight inches of man meat into her mouth just to shut her up! Her singing is awful! Now, if you could do a parody of *Music Clitty News* with Tanya (everybody has fucked her) Tucker or Michelle Wright, I would be obliged to pick up a few extra copies of HUSTLER. More cum has shot across the album covers of these two country cunts than there is water in the Mississippi. —A. M.

United Colors of HUSTLER

I am a subscriber to three of your LFP titles: HUSTLER, BARELY LEGAL and HUSTLER'S TABOO. Before I extend my subscriptions to the end of this millennium, which means to the year 3000, I would like to see the LFP stable of magazines represent the real world in your pictorials. For example, I would like to see blacks fucking whites, whites fucking blacks, Asians fucking whites or blacks, and vice versa. I'm tired of seeing whites fucking whites all the time. Being that three-fifths of the world's population is nonwhite, convince me that HUSTLER really is "For the Rest of the World," as you so proudly claim. —C. F.
Aurora, Colorado

Are you out of your cotton-pickin' mind? Nobody represents miscegenated flava like HUSTLER. Larry Flynt took a bullet for publishing an interracial photospread of a black man and a white woman (Butch: A Black Stud and His Georgia Peach, December 1975). This month's HUSTLER features Englishman Mark Davis and Pacific Islander Tara Patrick—the most exotic beauty in porn today. The July HUSTLER will feature a colorful, multi-racial bouquet of lesbian pussy-lickers. Clean your glasses and brace yourself for HUSTLER's parade of multicolored pink.

Don't Miss No HUSTLER

Let me tell ya 'bout retirement. I got my own park bench on 11 acres here in Hee Haw Hell; I can be a bum and nobody gives me any shit. I raise ducks, geese and silver Phoenix chickens for a living, and they all march back into the pen at night—smart fuckers. I got a woman. She's a disabled person, but don't you worry; I treat her right. It's a bitch though, 'cause she don't even drive a car. I just got a subscription to BARELY LEGAL, but I ain't seen no HUSTLER in about three years. Sure is great not seein' Ron Jeremy's ugly mug. —S. S.

Chloe's "I Came, Did You?!!"

FULLY ERECT

Directed by Chloe; starring Chloe, Jewel Valmont, Johnni Black, Shelbee Myne, Ruby, Tina Tyler, Cleo Nicholle, Kyle Stone, Pat Myne, Justin Case, Tony Tedeschi and Ian Daniels. Videocassette: Elegant Angel.

"Throw your remote across the room; you won't need it!" advises the title tramp of *Chloe's "I Came, Did You?!!"* Empty hyperbole? Think again. Throughout this video, the petite and all-natural brunette engages in deliciously unnatural acts. The hyperorgasmic megaslut is fisted, choked, sucked and fucked until she moans, screams and comes. Hosting a lesbian tryst with her pals Tina Tyler and Shelbee Myne, Chloe lets it be known that, as guests at her fuck party, it would be rude not to come. "Keep your hand on your cock," she insists, to which the viewer gleefully complies. Tyler and Myne probe Chloe with a variety of dildos while she begs to be spat on. "Bitch, make me come!" Chloe orders Tyler. "Give it to me, cunt!" The foulmouthed vixen trembles toward orgasms when Tyler substitutes fist for dildo. As Chloe's eyes loll back in her head, she resembles a silent-screen star in rapture. Other incredible sequences follow. Chloe blindfolds her sister Cleo Nicholle and tricks the blond sibling into receiving her first onscreen fuck. Chloe rears up for a D.P. finale, and, in the throes of passion, shouts, "I'm a dirty fucking whore, and I'm all yours!" The answer to the question in *Chloe's "I Came, Did You?!!"* is *yes*—many times. *—Dan Panorama*

Even crapper sex is good enough for Kyle Stone.

Ian Daniels plunders Valmont.

Chloe takes bones doggy-style.

Five Times Lucky

Chloe Wins Big at *AVN* Awards in Las Vegas

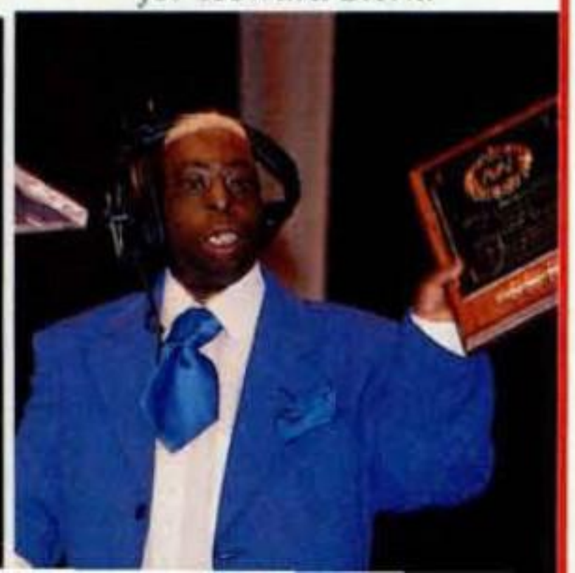
Barely able to speak after four days of greeting fans at the annual Consumer Electronics Show, Chloe managed to accept five *AVN* awards on January 8, 2000, including Best Actress for her performance in Kris Kramski's bleak porn drama, *Chloe*. "I was up for one of the secondary characters," the gravelly-voiced vixen admitted, "but I begged Kris for the lead and promised him a big win at *AVN* if he gave me the chance. Lucky for me, the gamble paid off!" Winning five out of the ten awards she was nominated for, including Best Supporting Actress for VCA's *Torn*, Chloe is most proud of racking up the Safe Sex Award for *Chloe's What Makes You Come?*, in which the petite brunette stars and directs. Signing autographs at the Bizarre Video booth the day after her big win, Chloe gushed, "Ron Jeremy came up to me after the show and said, 'This year's *AVN* should've been called the *AVN/Chloe* Awards!' " While Chloe is grateful to be recognized by her peers, it remains to be seen whether the ambitious anal queen with a rectal taste for foreign objects will cram her orifices with her five golden statuettes on video.

Intent on adhering to a rigid schedule to avoid the overtime fiascos of past years' shows, the *AVN* promoters asked all winners to keep their acceptance speeches brief. Howard Stern threw a wrench into that plan by sending his freak of the week, Beetlejuice, to accept Stern's Special Achievement Award. The black, vampirelike dwarf rambled incomprehensibly until a frazzled *AVN* staffer gave the freak the hook, eliciting cheers and jeers from the audience.

This year's *AVN* Awards inspired many catcalls and boos from the allies of losing nominees, prompting Jill Kelly to remark that the camaraderie of past awards shows had been replaced with a mean-spirited competitiveness this year. Perhaps if the booze were free (hint, hint), there would be no need for industry grumbling. After all, rosy cheeks and rosy palms must live in harmony.

Stephanie Swift articulately accepts an AVN award.

Beetlejuice mumbles for Howard Stern.



Wildflower

HALF ERECT

Directed by Bud Lee; starring Asia Carrera, Jill Kelly, Stacy Valentine, Peris Bleu, T. J. Hart, Julie Meadows, Tylene, Micky Taylor, Devin Wolf, Chris Cannon, Nick East, Bo Dean and Steve Hatcher. Videocassette: Adam & Eve.

Wildflower blossoms into chick-flick passion like a Merchant Ivory period romance fortified with hardcore sex. Playing a mentally unstable agoraphobic, Asia Carrera isolates herself in the family mansion because she feels responsible for her father's heart attack. In an outrageous flashback, Carrera's old man witnesses his slutty daughter sliding her wet gash down Nick East's beef stick. Horrified, Daddy grips his chest and falls to the floor throbbing. Psychologically warped by the guilt-inducing trauma, Carrera is eventually lured from her mental cave and back to the uninhibited world of sexual desire by flower-loving, poetry-spouting gardener Devin Wolf. A would-be philosopher, Wolf consoles Carrera with lines such as, "Sex is a manifestation of who we are." Carrera recoils and cries, "But we're friends!" Wolf pulls the Asian beauty close and whispers, "If you can't fuck your friends, who can you fuck?" This video fucks over its audience with soap-opera drivel. *Wildflower* may have a sweet aroma for couples, but as a stroke flick, it stinks. —*D. P.*

Shane's World 21: Cliffhanger

THREE-QUARTERS ERECT

Directed by Shane; starring Bobbie, Halli Aston, Dayton Raynes, Jane Lix, Vince Vouyer, Billy Glide and Ian Daniels. Videocassette: Odyssey Group Video.

Welcome to *Shane's World 21: Cliffhanger*, the latest installment of the *MTV Real World* approach to porn. This time around, the cast of *Shane's World* travels to Joshua Tree National Park in the California desert. Extreme sex combines with extreme sports as Bobbie, a gorgeous, curly-topped brunette, scales the side of a mountain in the raw. Vince Vouyer "rescues" the dark damsel and is rewarded with a mountaintop schtup. Back at the desert lodge, the ensuing antics resemble a fraternity/sorority mixer party. Drunken tarts ignite bonfires with alcohol-rich piss. A bubbly blonde sucks bathwater into her womb and launches a jet stream from her snizz. Vince Vouyer rips a fart and laughs as he lounges in bed with Bobbie. "I don't know this guy," gasps Bobbie as she tries to escape for fresh air. The scent stupefies Bobbie, drawing her back into bed. Vouyer spanks the all-natural beauty for trying to escape. "You don't know how wet you just made my pussy," Bobbie purrs, then submits to a rapid-fire, desert-rabbit fuck from her gassy partner. *Shane's World 21: Cliffhanger* is crude, but effectively arousing. —*D. P.*

Superstition

THREE-QUARTERS ERECT

Directed by Anita Rinaldi; starring Kate More, Genevieve, Lillyt, Daniella, Barbi, Laura Angel, David Perry, Csoky, Andrew Youngman, Mike Foster, Remigio Zampa, Nick Lang, Alberto Rey, Leslie Taylor and Mike Love Child. Videocassette: Vivid.

Superstition starts with a stop, but quickly builds up a ball-bloating momentum. A Eurotrash ingenue is impatient to meet her appointment across town, but her cab driver squeals to a halt when a black cat crosses his path. "Vat are you vaiting for?" the Euro-babe impatiently demands. The cabbie insists that he can't continue until someone crosses the street to undo the potential hex. Resigned to waiting, the old-world chick reminisces about friends in her fatherland whose sex lives were affected in some way by mysterious superstitions. The taxicab confessions play out with a European cast admirably stumbling through English and into each other's genitalia. An adulteress breaks a mirror and is discovered fucking her lover. A production assistant walks under a ladder after a movie set breaks for lunch, and the carnage that follows leads to a D.P. with the tech workers. An umbrella opened indoors leads to a lesbian free-for-all. "Sometimes bad luck ain't so bad," the minx explains to the cabbie. In *Superstition*, ill fortune leads to good fucking. —*D. P.*

WILDFLOWER: Asia Carrera pollinated with nad sap.

SHANE'S WORLD 21: CLIFFHANGER: Mountain-climbing Bobbie receives a high-protein energy boost.

The Violation of Jewel Valmont

THREE-QUARTERS ERECT

Directed by Jim Powers; starring Jewel Valmont, Gwen Summers, Mazzy Paige, Love Lee, Vivi Anne, Jezaree Robs, Maren Beautte and Cherry Mirage. Videocassette: JM Productions.

The Violation of Jewel Valmont pits a sadistic school principal against her students. The pupils win, and so does the viewer. Catholic schoolgirls Gwen Summers and Cherry Mirage wait in the principal's office. Fidgeting with their uniforms, the two girls sit and squirm, waiting for the principal to return with their punishments. In the time that elapses, nervousness transforms into sexual heat. "Oh my God, you're playing with yourself!" giggles a reluctant yet curious Summers. Mirage, the more sophisticated of the two girls, talks innocent Gwen into licking her pussy. Dean Valmont breaks up the party and canes the dirty lesbos. When Summers returns to class, word of Valmont's excessive use of force spreads. A full-scale Catholic-schoolgirl mutiny ensues. Valmont is wrestled flat on her desk, and an apple is forced into her mouth. Dildos probe the principal's holes as cries, laughs and squeals erupt. The girls chant, "Lick it! Lick it!" as Valmont is forced to suck student clit. In *The Violation of Jewel Valmont*, the principal gets off easy, and so does the viewer. —*D. P.*

Gallery of Sin

THREE-QUARTERS ERECT

Directed by Jerome Tanner; starring Sadie Jordan, Lola, Nina, Kiki, Inari Vachs, Raveness, Jezaree Robs, Mike Horner, David Hardman, Todd Alexander, Nick East and Nacho. Videocassette: Legend.

Erotic paintings spring to life in *Gallery of Sin*, a pseudo-documentary about two rival artists, one male, one female. The dueling aesthetes slam each other's work, describing scenes that transform into fantasy vignettes. The conjured fornication provides titillation for couples and strokers alike, in spite of the corny themes that frame it. The silliest offering involves a clown and a pony-acrobat girl porking in circus hay. Another features Inari Vachs as a reluctant vampire from Transyl-Jersey. "I don't wanna drink blood no more; it pisses people off," Vachs whines before being poked in her pussy and neck. Two extra-special living paintings up the ante. The first is a descent into hell, where the devil prods his female servants with a dildo-tipped pitchfork. Flogged into submission, the demonettes bring Beelzebub to orgasm with their collective lips. The second masterpiece features the incredibly exotic Sadie Jordan (a/k/a Tara Patrick) as a 1920s Hollywood casting-couch casualty. In *Gallery of Sin*, no blood is spilled, but cum flows freely. —*D. P.*

SUPERSTITION: Super-potent.

THE VIOLATION OF JEWEL VALMONT: Gwen Summers—busted!

GALLERY OF SIN: Jordan reveals ass masterpiece.

Latin Sluts Sizzle on Video

As Jennifer Lopez inspires *grande* wood *de los pantalones* with the merest shake of her curvaceous ass, red-blooded Americans are finally discovering what our *hermanos* have known all along: *Las chicas de* Puerto Rico, Mexico, Colombia and Spain are *muy caliente*. Despite the annoying Latin-music craze sweeping the nation, an infinitely more desirable boom in Spanish-language fuck flicks has been slow in coming. Disappointed *puta* connoisseurs need fret no longer; an influx of imported bilinguals are poised to hop the border, bringing loads of spicy, salsa-style sex with them.

Porn-industry giant Vivid Video has been cranking out collections of its steamiest senoritas in its *Libida Loca* series. The four-hour tapes, however, are cut-and-pasted afterthoughts hastily assembled to capitalize on the new Latin trend. For the real deal, the upstart *pornaderos* at Spanish Erotica deliver delicious south-of-the-border smut unadulterated by stupid dubbing.

Passion swells in *Ricas Latinas* when exotic senoritas suck on veiny chorizo. *"¡Ay!"* one luscious blonde moans as her boss tongue-fucks her puckering *culo*. The Elizabeth Shue lookalike suckles on her *jefe*'s thumb as he pistons her hungry coochie.

Chica Boom: Hot Latin Chicas offers cum-coaxing *mujeres* from Spain, Mexico, Puerto Rico and Cuba. The dudes are gringos, but the miscegenated fuckers' bilingual couplings eloquently convey the universal language of lust.

Elegant Angel's *Las Putas de New York* also wraps its foreign tongue around man meat. Charlene Aspen, a lithe, doe-eyed firecracker, is the breakout star of the recent blue *revoluciòn*. The majority of the vids listed above feature the sensual cock hound in multiple scenes, and rightfully so. Charlene wolfs down dick as if it were delicious, fried plantain. When Aspen mounts a tool, the shapely brunette rides like an enraged bull. *"¡Mas Duro!"* she screams. (Translation: "Harder!")

Brush up on your high-school Spanish and break out the tissues; when Latin porn emigrates to American VCRs, not even the INS can stop the flow of juicy Hispanic cooze.

Las putas de porno serve spicy, red-hot pussy salsa—fantastico!

True Hookers Stories

ONE-QUARTER ERECT

Directed by Henri Pachard; starring Chloe, Bobbi Bliss, Tracy Love, Phyllisha Anne, Randee Lee, C. J. Bennett, Christi Lake, Danielle Rogers, Tina Tyler, Herschel Savage, John Decker, Drew Andrews, Tice Bune and Alec Metro. Videocassette: VCA Xplicit.

The working women in *True Hookers Stories* sport dicks up their asses and dollar signs in their eyes. Chloe complains that johns always want to ream her shithole. Unmoved, Herschel Savage bends the tramp over a toilet and routs her poop chute. Chloe groans like a mummy, her hair dangling into the nasty bowl. Savage fires a huge load on her left butt cheek, scoops up the spum and saves his expelled DNA like an obsessive/compulsive freak. Each scene offers an interesting look into a slut's daily routine. The most heartwarming is the tale of Harry Hatchet. Harry, played by Tice Bune, is a gangster with a soft spot for C. J. Bennett, a blind, paralyzed whore. Tice flips C. J.'s lolling body, probing *her* soft spot. Bune blows his load and comes clean, admitting that Bennett reminds him of a blind hooker who was nice to him when he was a child. The street value of this otherwise primo mockumentary is drastically lowered by the excessive dialogue and the prolonged strap-on anal jam of Drew Andrews's hairy bunghole. *Yuck. True Hookers Stories* weaves raunchy, true-life fuck tales, ass warts and all.

Directed by Alec Metro; starring Temptress, Anastasia Blue, Allison Chaynes, Melody Love, Kasorn Swan, Amber Michaels, Kianna Bradley, Liza Harper, Tasha Hunter, Dolly Golden, Chennin Blanc, Alec Metro, Dick Hurtzer, Scott Louis, Buck Adams, Mark Vega and Steve Taylor. Videocassette: Multimedia Pictures.

Insatiable lifeguards perform mouth-to-cock resuscitation in *Babewatch #10*. These suck-happy lifesavers rescue swimmers, fight crime and still make time to bone any stiff prick that wanders near the beach. Lifeguards-in-training Chennin Blanc and Temptress practice their technique on two fellow students. Temptress inhales a slithering trouser snake, while Chennin receives a first-aid tongue bath of her dripping gash. Chennin and Temptress mount meat, pile-driving themselves into a fever. After tireless pumping, the selfless beach bimbos dismount and shower themselves in salty dick brine. Chief lifeguards Amber Michaels and Alec Metro set an example for their students with a sandy bang in a rocky cove. With their training complete, a new generation of waterlogged women in red is primed to revive any limp dick. When diving deep into young, exotic poon, *Babewatch #10* glorifies the unsung heroes of the seaside: fresh clams. *—N. V.*

Tales From the Pink

THREE-QUARTERS ERECT

Directed by Nick Orleans; starring Stephanie Swift, Shayla LaVeaux, Temptress, Amber Michaels, Alyssa Allure, Charlie, Elena, Alec Metro, Ian Daniels, Dante, Mark Davis and Johnny Pacwood. Videocassette: Ultimate Pictures.

Tales From the Pink colors the world with a pussy paintbrush. In the town of Pinkville, everyone favors the rosy hue of spread labes. Everything's tinted like twat, from Shayla LaVeaux's convertible Cadillac to Mark Davis's goofy tuxedo. The Pinkville Healing Center is a mushroom-capped silo converted into a hotbed of sexual rejuvenation. Inside, buxom wench Charlie waits like a poodle in heat as Dante spit-lubes his bobbing prong. As Dante's tool nests in Charlie's ruby-red snatch, the sizzling brunette props her rump in the air, inviting her guru to explore her gaping shithole. Post–butt-fuck, she squeezes her pendulous breasts around Dante's dookie-flavored shaft, straining to taste his tip with every stroke. Charlie smiles winningly as a spattering of seed flecks her jugs. When cock-friendly characters like Charlie, Temptress and Elena show their true, slutty colors, *Tales From the Pink* becomes an engrossing yarn worthy of a Pull-it-sir Prize. *—N. V.*

Action Sports Sex #5

THREE-QUARTERS ERECT

Directed by Robby D; starring Envy, Elizabeth Starr, Shelbee Myne, Felicity, Jessica Jewel, McKayla, C. J. Bennett, T. J. Hart, Bobby Vitale, Pat Myne, Jamaal Johnston, Jack Moore, Steve Taylor, Dayton Raynes and Brandon Iron. Videocassette: Vivid Raw.

Action Sports Sex #5 is light on sports, but heavy on orifice-pounding action. This beach-themed screw vid hangs ten inches and shoots a foamy curl of jizz onto some of today's hottest fuck bunnies. Envy and McKayla drop by Bobby Vitale's house to check out his pool. Instead, they inspect Bobby's tool, inhaling his stick like cock-starved hellions. McKayla mounts Vitale's jimmy, her shaved labes bouncing on his turgid rod. Envy, a Spanish sausage lover with frosted, brown hair, catches major air on Bobby's board. Vitale shreds her ass, reaming her tiny bunghole six ways to Sunday. Awestruck, McKayla gapes as Vitale's pipe spelunks Envy's cavernous crapper. Vitale milks his prick, slathering faces with sticky dick paste. More slutty guests come and go, including blond dick hog Shelbee Myne; Felicity, a sultry Czech chick; and foulmouthed Jessica Jewel. Hurt only by Robby D's asinine play-by-play, *Action Sports Sex #5* scores big. —*N. V.*

ACTION SPORTS SEX #5: *T. J. Hart wins extreme ass-gape competition.*

FULLY ERECT

Directed by Vince Vouyer; starring Rumica Pop, Dora, Eva, Claudia, Cheyanne, Mariah, Shannon, Julia, Csoky, Leslie, Gary, Vince Voyeur and Lexington Steele. Videocassette: Diabolic.

In *2 on 1 #2*, American pricks Vince Vouyer and Lexington Steele visit Budapest and double-team exquisite European pussy. Challenging Pierre Woodman's status as the reigning Threeway World Champion, Vouyer and Diabolic Video tackle exotic twat California-style. The itinerant filmmakers' secret weapon is Steele, or, more accurately, Steele's towering obelisk of man meat. When Steele's shaft leaps from his trousers, foreign cooze cowers in fear. Adorable brunette Rumica Pop laughs in amazement at his oversized tool. Julia, a hot redhead, stretches her supple lips over Lexington's iron man, her mouth barely encompassing Steele's Portabello head. Lexington's girth spears Julia's flaming patch, then reams her impossibly small tailpipe. "Shit," Lexington bellows as his snake spits a stream and spatters Julia's lovely visage. Julia doesn't flinch when a single jizz gem clings to her eyelash. There's not a cock on any continent that can match Lexington's destructive power, and Steele is matched with worthy, dong-crazed opponents. *2 on 1 #2* is a no-holes-barred, piledriving match that pussy-slams viewer neckbones into submission. —*N. V.*

2 ON 1 #2: Red-hot Julia hardens Lexington's steel.

THE BITCH: Bitch laps for Asia Carrera.

The Bitch

THREE-QUARTERS ERECT

Directed by Guillermo Brown; starring Asia Carrera, Alexandra Silk, Mila, Corine Williams, Lilli Louise, Cody, Vaughn Ray, Vince Vouyer, Christian Steel, Ron Jeremy and Randy Spears. Videocassette: Vivid Film.

Like any ruthless cunt, *The Bitch* lies, cheats and steals, but that's not necessarily a bad thing. Director Guillermo Brown, a Tarantino ripoff artist, pillages *Jackie Brown* with this entertaining gang-banger. Asia Carrera is the title bitch. Carrera redeems her ornery disposition by sharing her best asset: a criminally desirable body. Lying low in her makeshift hideout, Asia runs into another naughty tramp. Carrera gives the cooze her cut of smooth-skinned booty, proving that there *is* honor among thieves. The brunette dives headfirst, fingering Asia's glistening treasure trove. After holding out for far too long, Asia gives her split to Vince Vouyer. Prone on a hotel-room bed, Asia swallows her pride *and* Vouyer's. Carrera mounts her new partner, diddling her hood as she takes herself for a ride on Vouyer's flesh pickle. Asia screams, begging for Vouyer's cock to slam her deeper. Vince ejects, spurting a salvo of spum onto Carrera's perfect derriere. A slutty role model for lawbreaking skirts everywhere, *The Bitch* clearly shows that crime pays loads. —*N. V.*

ASS BLASTER

Everyone has at least one special gift. I am blessed with a big, fine ass. Wealthy men woo me tirelessly. They shower me with jewelry and expensive wine in hopes of wallowing in the heavenly funk of my exhaust crack. While I gleefully savor the attention and all the loot I reap in reward of my dazzling derriere, my admirers don't stand a chance unless they share my filthy fetish for farting. Floating fragrant air biscuits in the company of a gentleman is my greatest pleasure. I appreciate a stinking-rich suitor feeding me oysters and champagne on the veranda as much as the next girl, but, once in the bedroom, the ass-loving aristocrat must succumb to my fabulous buns *and* the loud, wet cheese they so skillfully cut. I finally found this rare combination of refinement and raunch in Edward Hillock McMahon. My poot-loving prince has come—and quite a few times at that.

I met Edward at one of the boring charity events I regularly attend in hopes of finding a well-off gas huffer to fulfill my dreams. After an interminable silent auction of some dead artist's paintings, the guests mingled around elaborate snack trays and chatted idly about really dull shit. Edward approached me as I munched on my fourth helping of sesame-onion crisps slathered with fava bean pâté. The garlic-laden legume paste was audibly bubbling in my belly.

"Enjoying the finger foods?" Edward inquired with a dimpled grin.

"I just love beans," I enthused, plucking yet another fava-slathered cracker from the tray and sliding it whole into my wide, wet mouth. I chewed, swallowed loudly and added with a wink, "And garlic. I simply adore beans and garlic."

Weaker men might have been intimidated by my shameless love of methane-brewing foodstuffs, but Edward was, judging from the tent in his tux, unmistakably aroused. He reached for the hors d'oeuvre tray and pushed another gassy treat toward my lips. He leaned close enough for his throbbing hard-on to bump impatiently against my crotch. Delighted, I laughed; a spray of half-chewed cracker and pâté pelted his tuxedo. Unruffled, Edward briskly flicked the barrage of crumbs from his slacks and pressed his firm sausage insistently between my legs. I seized a generous handful of Edward's meat and squeezed.

"I need to visit the ladies' room," I purred, massaging his pulsing member, "but I have trouble unzipping this dress all by myself."

Edward followed me to the powder room and brazenly entered behind me. Ladies squealed, aghast as he strode across the tiled floor. Undaunted, we trotted into a stall and latched the door behind us.

"Undo me," I instructed, pressing my back against Edward's chest. He slid the zipper down, swooping in to lick my spine. I shivered as he began kneading my sublime shit pillows. The exquisite orbs shivered beneath his warm fingers. Edward's skillful touch was already coaxing a poot from my twitching bowels. My crack tensed as a burst of wind billowed through my intestines and toward my butthole. *Frrrronnk!* I froze, at once thrilled and filled with trepidation. *How would Edward react?* I silently worried. *Would he prove himself worthy as a scatologically obsessed suitor?*

"Pardon me," I snickered. Edward dove for my aromatic rump. He buried his nose between my cheeks and inhaled deeply, as if sniffing the cork of a fine bottle of wine. My clit stiffened and throbbed; a dribble of spicy snatch soup rolled down my thigh. Edward tongued

With each plunge he dealt my dooker, my white-knuckled fist jerked the toilet handle. *Schloosh!* Eau de toilette splattered my face until I could hardly see through the running mascara.

my pungent poophole. He fumbled with his zipper and eagerly unleashed his pork.

"If I stuff my stiffy into the depths of your giant, perfect ass, will you fart when I pull it out?" the pervert panted.

"If you cram my fudge tunnel just so," I teased, "my anus will cough as loudly and fragrantly as you desire. But your bruiser must pummel my bunghole with precise depth, pressure and rhythm."

Edward furrowed his brow in concentration and balanced me on my haunches atop the toilet rim. His slippery salami slid between my plump, pert pillows and grazed my dirty pucker. His trouser snake drooled pre-cum square on my winker. Lubed and ripe for reaming, I flexed my sphincters and kissed his salivating dong, ushering the earnest erection's entry. Edward's pickle slid swiftly into my pooter and pumped with firm, studied strokes.

"*Ooommph*," I grunted, "you're fucking good at this."

Edward slapped my gyrating cushions and thrust vigorously. Cupping my soft, swaying D-cup teats, my turd-packing playmate burrowed his bone deeper. His skillful reaming tickled my innards so intensely, I was poised to cut a seat-ripper of unparalleled rank and resonance.

"You know exactly what my beautiful backside needs!" I exclaimed, gripping the toilet handle for support. "You're snaking my drain like a fucking pro!"

Edward's humping intensified to a frenzy. With each powerful plunge he dealt my dooker, my white-knuckled fist jerked the toilet handle. *Schloosh! Schloosh!* Eau de toilette splattered my face until I could hardly see through the running mascara. My snatch dripped a cocktail of Ty-D-Bol blue water and cunt broth. As the overwhelmed bowl began to overflow, Edward cried out.

"I'm coming!" the filthy fucker bellowed. "I'm about to shoot hot jism all over your plush derriere. When I do, you'd better squeeze out a wet one!"

My shitty sweetheart ripped his raunchy dong from my bung. In seamless unison, my ass trilled a warbling and mephitic melody as ropes of snotty semen strafed my clenched glutes.

"Good God, it stinks in here," Edward huffed. He was beaming. "I adore your raucous, odoriferous ass."

I fell in love with Edward that very moment. Now we're inseparable. He plies me with gassy foods. I, in return, reward him with flatulence and unlimited access to the howling nether regions of my rear. If our love story grosses you out, dear reader, perhaps you should reconsider. DEEP-FRIED FUCK

Bitches look down on me because I work in the fast-food industry. The stuck-up cunts are more than happy to inhale the cheeseburgers and chili fries I prepare for their snarling traps, but whenever I dare to ask one for a date, watch the fuck out—she curls her lips and flares her nostrils like I'm serving her a shit sandwich. I'm here to tell all my lowly food-service brothers how to handle the snotty female patrons who reject and belittle them. Do as I did and shove your wage-slave wangs up their fancy, crinkle-cut flues. When served a nutritious hunk of cock, the snatches' haughty sneers melt like American cheese on a grilled patty. Once those uptight gashes huff in a taste of plebeian prong, they'll suck greasy meat down their gullets and up their boxes until they burst with man mayo.

A better-than-thou bitch named Melia was the twat who finally made me snap. She pranced in five minutes before closing time, demanding onion rings and a soft-serve pineapple sundae. I was intrigued that such a hot blonde craved this repulsive combination of ass-widening empty calories. I took a chance when I slapped her oily onions onto the orange plastic tray and asked her out.

"*Hurmph*," the elitist spuzz bucket grumbled, her button nose twitching. The insolent tramp stood there with an eight-dollar haircut, her bubble butt encased in bargain-basement jeans, and she had the nerve to react as though a leper had just dick-slapped her. To add insult to injury, Miss Twinkle-toes insisted on enjoying her nasty snacks in the restaurant. She was the only remaining customer in the establishment, it was closing time, and I was pissed. Fuming, I stalked toward the booth she languished in and grabbed the salt and pepper dispensers.

"Who the fuck are you?" I demanded, furiously polishing the salt shaker with a damp towel.

Mid-chomp, the fair floozie blinked at me with cow-eyed indifference. In a silky, bored drawl, she responded, "I'm Melia. Kindly leave me to enjoy my onion rings, unless you've got something special to show me."

That was it. I didn't give a Goddamn. I whipped my inexplicably aroused staff from its stiff polyester prison and slapped the veiny beast into Melia's onion rings. I scooped one of the crunchy collars from her plate with my wang and wagged my

"You're like a steel trap," I wheezed. "Just as I eat constantly and never gain weight," Melia breathed softly, breaking her silence, "I fuck all the time, yet remain tight as a virgin."

accessorized schween under her nose. Melia changed her disdainful tune when offered my french-fried wanker. Her juicy lips engulfed my corn dog. She inhaled the decorative onion ring with impressive speed and grace and swallowed my schlong. I gasped as my manhood disappeared down the hungry hussy's throat. The pulsing heat of Melia's gullet nearly pumped the cum from my balls. I grabbed the hoovering tramp by the chin and yanked her yap off my dong to prevent my sauce from spewing.

I seized Melia by the waist and flipped her onto her belly. The grease-craving cutie's butt bobbed gently inside her tacky blue jeans. I tore the fabric from Melia's radiant skin, exposing a truly amazing booty. Her dainty browneye winked coyly above her glistening, pink slit.

"You're not so stuck-up now," I snorted, peeling off her T-shirt to liberate a ripe pair of melons. "Except your rearend."

I guffawed at my own joke; Melia was silent, which pleased me greatly. I waggled my wiener in the wet heat of her lower lips before plunging balls-deep into her slippery wedge of pound cake. Melia inhaled sharply through her nostrils, her muscles tightening around my long john. I clutched the tart's supple waist as her vacuumlike vage sucked my wang deeper into its snare. Her cervix wiggled against the tip of my crotch rocket like a teasing tongue.

"You're like a steel trap," I wheezed, struggling to pull back so I could hammer a few thrusts into her.

"Just as I eat constantly and never gain weight," Melia breathed softly, breaking her silence, "I fuck all the time, yet remain tight as a virgin."

With that proclamation, she whirled her hips in wild, rapid circles. I held on for dear life, as if I were riding a bucking bronco. She whipped me relentlessly in every possible direction without once losing her vaginal death grip on my beef cowboy.

"Hold on, little rider," Melia wailed, "I'm gonna blow you right out of your saddle. *Rrreeyyeahh!*"

The grasp of Melia's snatch gave way to shivers and spasms so intense, I thought the whole dining room was quaking. A tidal wave of girl gush erupted from her snapdragon and tossed me onto the floor. Soaking wet and disoriented, I sat on my sore ass for a moment before my throbbing boner forced me to my feet to seek its vengeance. Melia was lounging against the canary-yellow bench, grinning and rubbing her sopping cooter. I pushed the smug little cunt flat on her back and straddled her gloating face.

"That's a formidable talent you're blessed with," I panted, "but wait till you see the gallon of jism that's about to sully your sassy mug."

My well-primed dick only required a few hearty yanks before it unleashed its slimy fury on Melia's face. A bucketload of special sauce exploded from my nut nozzle and glazed Melia until she was as shiny and tempting as a Krispy Kreme doughnut.

I don't believe in feeling mushy or sentimental about women, but I almost started to like Melia as we relaxed in the afterglow and shared her melted sundae. She didn't say much (perhaps the greatest virtue a female can possess), and she looked even prettier with my gunk congealing on her face. Melia is proof that ice queens crave heat and warm up considerably when administered a hot beef injection. —B. F.

OB-GYN ME

My boyfriend Leonard is incurably jealous. Lenny's so possessive, he tried to accompany me to the gynecologist and sit in on the exam to make sure Dr. Warren wasn't slipping me sausage instead of speculum. When I refused his offer, Leonard demanded that I "find a fucking chick doctor to do the pussy maintenance." To avoid being harassed every time I need a Pap smear or a fluid culture, I switched to a female doctor. The change of coochie caregivers satisfied Leonard and granted me the privacy I require when going for a pelvic exam. However, an unforeseen complication resulted: I'm absolutely smitten with Dr. Turner, woman gynecologist.

My first encounter with Dr. Turner occurred during a routine visit. I waited on the examination table in my paper gown, staring blankly at an illustrated poster of the female reproductive system. As footsteps approached, I envisioned a stout, butchy woman waddling into the exam room to poke at my vagina with brusque formality. That glum expectation was dashed when a svelte, raven-tressed beauty breezed in and smiled warmly at me with plump, polished lips.

"Hello, Regina," she greeted me in a silvery voice. "I'm Dr. Turner. Here for your annual exam today?"

"Yes, hi. It's nice to meet you—yes," I stammered, as nervous and awkward as a little kid. I'd never reacted to another woman that way, much less a woman about to swab my cervix with a Q-tip.

"Okay, good," she nodded, setting my chart next to the sink. Dr. Turner stretched a latex glove over her graceful

"Her jaw is dislocated again! Son, ya gotta stop asking this poor girl for blowjobs."

She gently parted my labes. A rivulet of liquid flowed from my aroused pussy. "Goodness," Dr. Turner remarked with thinly masked fluster. "I guess we won't need any K-Y."

hand and released it with a loud snap. I jumped at the sudden noise.

"Relax. We'll be through before you know it," she cooed soothingly.

I hope not, I thought, peering through the opening of her lab coat. I spied an alluring glimpse of white lace encasing a magnificent range of plush, ample bosom. Dr. Turner instructed me to lie back. I obeyed and she gently parted my labes. My clit hardened at her touch. A rivulet of liquid flowed from my aroused pussy.

"Goodness," Dr. Turner remarked with thinly masked fluster. "I guess we won't need any K-Y."

The sensation of the beautiful doctor's digits wriggling up my flue was more than I could bear. Unable to contain myself, I rocked longingly against Dr. Turner's steady, skillful hand. Her fingers slid slowly and rhythmically in and out of my throbbing slot.

"Everything feels fine here," she sighed. "Now I'm going to insert the speculum. You may feel slight pressure or cramping."

During this portion of the exam, I normally brace myself for the unpleasant assault of cold metal prongs. This time, I opened my legs wider, inviting the instrument to probe my twitching girl gulch. The now-tantalizing torture device slid smoothly into my canal. Dr. Turner fixed her flashlight on my snapper and studied my insides.

"What gorgeous, strong tissues you have," she cried, swiping a sample of cervical cells for the petri dish. "Now, open your gown and I'll examine your breasts."

Yes, please, I moaned inwardly, pulling the crunchy, pale-blue material away from my tingling teats. Dr. Turner pressed her hands against my mams and rubbed them in gentle circular motions. By now, I was burning and desperate to be ravished by the good doctor. Words tumbled from my mouth before I could stop them.

"Roll your tongue over my tits," I begged, throwing propriety to the wind. "Then slide it all the way down until it's wiggling inside my pussy."

Dr. Turner stopped caressing my boobies and stared at me. I held my breath, terrified that she would instruct me to dress, leave and seek a new health-care provider. Instead, she lowered her head to my nipple and suckled with enthusiasm.

"Show me your big boobs," I cried out. "Let me bury my face in your creamy-white cleavage!"

Dr. Turner swiftly unbuttoned her coat and unclasped her bra. A luscious, snowy pair of knockers bobbed toward me and fell onto my eager mouth. I blissfully lapped their silky, pliant flesh. Dr. Turner wriggled out of her pants; my fingers found her damp, soft pubes and crawled into the moist recesses of her poontang. We fondled each other's furburgers with urgent passion. Dr. Turner grabbed my ankles and slurped her way south.

"I didn't inspect your clitoris closely enough," the sapphic physician murmured, her nipples grazing gently down my body. She took a nosedive into my crotch and swabbed my nubbin with firm, even strokes. Her expert tongue-lashing moved me to scream with pleasure; Dr. Turner quickly hushed me with a firm smack on my thigh.

"*Shhh*," she stage-whispered. "You want a nurse to bust in here?"

I shook my head and thrust my pelvis in her face. She continued administering head so incredible, I wanted to marry Dr. Dyke right then and there.

"Fuck, I'm coming! Fuck, I'm gonna scream," I gurgled, my voice strangled in an effort to keep quiet.

"Sit up and bite my hand," Dr. Turner slurred with a mouthful of snatch. My cookie on the brink of explosion, I lunged forward and sank my teeth into her gloved appendage. The bitter taste of latex blended with the shock waves of what was undoubtedly the greatest orgasm of my life. I fell back against the exam table to catch my breath, but Dr. Turner was immediately upon me, her fragrant, whiskered biscuit tickling my nostrils.

"Hurry up," she urged. "I have another patient in ten minutes."

Dr. Turner rode my exhausted face efficiently; she came in my mouth after a mere 30 seconds. After briefly relaxing her cunny against my forehead, she regained her professional yet warm manner, donning her coat and slacks and disposing of her well-lubed gloves.

"We'll send you a card when your lab results come in," she concluded, patting my shoulder and smiling broadly. A dainty pube was wedged between two of her gleaming teeth.

After my visit to Dr. Turner's office, all I can do is dream up new excuses to see her again. My boyfriend's scheme to calm his obsessive jealousy worked out beautifully for me. The Crying of Lot 69

HOW TO FIND SEXUAL FULFILLMENT ON eBAY

BY JOHN MILTON • ILLUSTRATION BY GODFREY DANIELS

Once a humble swap meet for techno-geeks buying and selling Pez dispensers, eBay (www.ebay.com) has blossomed into the world's largest online auction house. Along the way, the Web site has grown into one of the premier filth purveyors on the Information Superhighway, bringing a vast array of sex-related goods and services to the paying public.

Prerequisites for browsing eBay's adult galleries are pleasantly minimal: After filling out a brief online registration form with a valid credit card (necessary as proof of age), a prospective buyer can immediately search through categories such as VIDEOS, MAGAZINES and PINUPS. The most unusual carnal finds are usually in the most innocuous-sounding gallery: GENERAL.

Bidding starts at $79.99 for item #249822973, an antique speculum in good condition with "minimal use." Offers on an inflatable, three-hole sex doll, still in the box, with lube, start at $25.05. A 21-year-old male's virginity, item #244822767, is a bargain at $.01, not including shipping costs.

Any half-bright sleaze consumer can search eBay's database and call up a scroll of sex-related headlines, often posted in all caps to bolster the illicit sales messages.

Typing in a search phrase such as "used panties" unlocks a Pandora's box of prurient possibilities; on a recent afternoon, 240 pairs of recycled undies were available for sale on eBay. Soccer moms and professional sex workers alike air their dirty linen online, operating on the principle that it's better to sell a pair of used panties for $10 than to spend 50 cents to wash them.

"My WELL-WORN/USED panties, purple with hearts," promises one banner. Clicking on a headline yields more detailed information about each item, and usually photos of the knickers for sale, often being worn by their previous owner.

"These are a pair of my cute little size 7 purple panties," reads one ad. "Being a ballerina for the past 12 years and a cheerleader in high school, I have always been the innocent one, but, like every good little girl, I have many nasty secrets that only these panties have seen."

"I am selling my panties so I can get my boyfriend out of jail," explains a woman who identifies herself as Lisa. "His bail bondsman suggested selling here on eBay."

On average, an auctioned-off pair of used panties fetches about $10 to $20, which often includes a Polaroid of the wearer sent along with the underwear in a Ziploc baggy sealed for freshness.

Some perverts see no reason to buy a stranger's panties when they can purchase the undergarments of a bonafide star. Not a problem. A memorabilia-minded onanist might very well find a bra worn by Linda Blair, of *Exorcist* fame, or a pair of Rita Hayworth's underwear, but should be prepared to pay anywhere from $200 to $400 for such rare jackoff props.

Skivvies once worn by celebrities in the *other* film industry command significantly smaller bids. A pair of undies worn and signed by XXX star Jenna Jameson sold for $50, while panties used and autographed by sexpot Juli Ashton fetched $36.

Authenticity is always a concern when purchasing items sight unseen, and eBay is no exception, even though the Web site has built its reputation on being reliable. The online auction house runs a disclaimer on its site, warning, "We have no control over the quality, safety or legality of the items advertised, the truth or accuracy of the listings, the ability of sellers to sell items, or the ability of buyers to buy items."

A recent ad offered a pair of underpants supposedly worn by singer Britney Spears. Although impossible to confirm, the pitch was convincing enough to raise bids to at least $65.

In short, prospective eBay buyers should maintain a healthy degree of skepticism regarding the provenance of any items listed for sale. A purchaser curious about the reputation of the person he's trading personal and financial information with can peruse the Feedback Profile located in the description of each sale, where any complaints and testimonials about the seller are kept on file.

A recent ad offered a pair of underpants supposedly worn by singer Britney Spears. According to the seller, Miss Spears was staying "in the same hotel where my mother works as a maid, and she left the panties behind." Although this dubious story is impossible to confirm, the pitch was convincing enough to raise bids from gullible jackoffs to at least $65.

While eBay features more panties than a Victoria's Secret catalog, it also boasts a vast selection of pornographic films, including homemade productions that would never be seen outside of Nowhereville if not for the site's global reach.

A man who identifies himself as videomaker99 is asking $13.14 as the opening bid on copies of a porn tape he shot at home with an estranged girlfriend.

"As a going-away gift, I told the bitch that I wanted to film me and her having sex," writes the anonymous seller, who also stars in the film. "We fucked in the bathroom, bedroom, all over my apartment. Blowjobs, ass-fucking, regular fucking...everywhere. If her dad ever found out about this, he would throw my ass in a tree shredder."

The angry ex-boyfriend who uses eBay as a revenge tactic is uncommon; far more often, hawkers are simply hoping to make some money, sometimes by any means necessary. eBay can be searched according to geographic region, making the site an ideal tool for prostitutes canvassing for tricks.

"Hello, this is Mandi," reads the copy above a photo of a topless female with pale, pink-nippled breasts. "I am 20 years young and full of sweet cum. Bid on this ad and you will get an hour of IRON, COCK and PUSSY pumpin' action."

BE MY SLAVE features a blurry photo of a woman wearing black underwear. "I am a real-life dominatrix, attractive and sadistic," she writes. "Have you ever wanted to be owned? For five days, I will own you. I will push your limits...this is no joke. I will train you to be my little slave."

An online buyer who is horny but prefers to stop short of hiring a callgirl can still find a cure for blueballs on eBay in the form of phone sex.

An "open-minded" 24-year-old female with an entrepreneurial flair has opened bidding for a "sexy phone call" at $39.99.

"We can talk about anything you want," promises the female, who goes by the name sweetnsexy1. Tacked onto the bottom of sweetnsexy1's ad is a photograph—presumably of her, an appealing girl with a tall, thin body and long, brown hair. Her bare legs are crossed, and she wears a checkered dress and frilly, little-girl socks.

Photographs typically accompany each listing, allowing a buyer to look at the items for sale before committing to a cash transaction. As a result, eBay doubles as a free gallery of dirty pictures. A horny guy who is strapped for cash can save money on monthly membership fees at XXX sites simply by clicking on any of the countless filthy photos that saturate the auction listings.

The Queen of Blowjobs, item #249036303, is a CD-ROM featuring some 6,000 still photographs of facial cum-shots. The ad for the CD features five high-quality photographs of attractive females catching splooge loads with their lips and tongues—perfectly adequate jackoff fodder for the hard-up horndog.

In order to shield itself from complaints from members who are offended by materials of an adult nature, eBay created an adult section that requires buyers to complete a separate registration form in order to enter. In this sequestered area, the Web site polices hard-core content with a very light hand.

In response to a complaint about an auction of sex-related material, "Hutch," an eBay Customer Support representative, writes, "Since our effort is to promote a free and diverse community, eBay is reluctant to interfere with auctions of lawful items. Please understand that there are many of us at eBay that may share your distaste with a particular item, however, we try to understand and tolerate the many viewpoints held by our worldwide user community."

Short of bestiality and kiddie porn, eBay is a wide-open forum in which to experience and purchase all the varieties of sexual expression. From vibrating panties to electric nipple clamps to multispeed blowjob machines, a sexual libertine in search of a good, cheap time online need look no further than eBay. As a sprawling electronic flea market for kink, raunch and sleaze, the site's variety and value is virtually unparalleled.

Maintaining propriety is quickly dropping on relapsed debutante Sophie's list of priorities.

"Sluts are hogging all the prime meat," Sophie complains. The mild-mannered strawberry blonde removes her bra. Her tender buds stand alert, desperate for attention.

"Following the rules of polite society is total…." Sophie stammers and blushes. "Well, it's bullshit." The beauty's clumsy fingers explore her neglected gash. Sophie's clit awakens.

"I vow to suck more cock and welcome every advance with spread legs and open holes." Sophie's finger-fucking momentum builds to a furious climax. "I'll steal my share of men from those loose-pussied whores any way I can."

A mischievous grin spreads across Sophie's face as she explores the uncharted territory of her cultured snatch. "If you can't beat 'em, join 'em."

DEATH'S

STEEL-GUT CUSTODIANS

JANITORS

TIDY UP AFTER BLOODBATHS

"Trauma-scene management" is by far the most stomach-wrenching career track anyone could fall into. Cleaning up after gory suicides and murders is a multimillion-dollar industry, with some 200 companies in existence nationwide. Is $20 to $30 an hour enough incentive to hunt down fingers after an explosion? Who's that mopping at death's door?

The day after Helene traveled to Japan on an extended business trip, her ex-husband, Albert, let himself into her tastefully appointed home, settled into the bed they once shared, put the barrel of a gun into his mouth and blew his brains all over her pillows. Three months later, Helene's welcome-home party consisted of a badly decomposed corpse.

"He was getting back at her," says Neil Smither, who specializes in trauma-scene management. Smither's Orinda, California-based company, Crime Scene Cleaners Inc., fielded Helene's distraught plea for janitorial assistance. ►

Death's Janitors

"One lady had garbage chest-deep from one end of her mobile home to another. On top of the trash, on top of the feces, there were maggots through every layer."

Geared up in nonporous Tyvek suits and gloves, breathing through respirators against the considerable stench, Smither and his three-member crew made their way through Helene's home, removing anything and everything that had come into contact with the dead man's body fluids, including the bed he died on, the carpet, some floorboards, even part of a wall.

"We took out three feet of Sheetrock where his head was leaning; it was hotter than hell during the summer, and his head had just melted," Smither recalls. "It was pretty severe. The smell of a decomp [decomposing body]—it's roadkill times a million."

After only a couple of hours' work, the men had stacked red, plastic BIOHAZARD bags outside Helene's house; the bags were then taken to a waste facility and incinerated. Inside the house, an industrial air scrubber hummed as it worked to deodorize the fetid air that permeated the building.

As grim as his line of work may be, Neil Smither looks at cleaning up after a messy death as no more than a job.

"We're janitors," Smither explains. "We're just janitors that are cleaning something that's godawful."

* * *

A gentleman decides that the world is too much to bear and shoots himself in the head. Once the coroner's office hauls off what's left of his body, does the medical examiner stay behind to help the bereaved swab up the blood and pick chunks of brain tissue from the ceiling? In Los Angeles, the coroner's official procedure is to pass the buck.

"We leave a seal at the location saying that there's a biohazard and it must be cleaned, but that's the extent of it," says Captain Deborah Peterson of the L.A. Coroner's Office.

If postmortem cleanups are not part of a coroner's responsibilities, which branch of law enforcement might be willing and able to lend a hand in removing the traces of a recent death? For the most part, none.

John Birrer heads Asepsis Technology, a cleanup outfit, but in his former job as a homicide detective, he walked away from countless crime scenes; more often than not, he left behind a bloody mess.

"A lot of times, a homicide detective will get asked by a victim's family, 'Do you guys clean this up?' " Birrer says. "The answer is usually, 'I'm sorry; it's not my job. Check the Yellow Pages.' "

Because of this yawning gap in municipal services, the grim task of mopping up after a gruesome demise has traditionally fallen squarely on the shoulders of distraught family members.

Capitalizing on the situation in recent years, entrepreneurs have formed cleanup outfits that specialize in sanitizing grisly death sites. The owners and operators of these businesses usually have two things in common: the foresight to recognize a niche waiting to be exploited, and the intestinal fortitude to withstand the withering sight and smell of gore.

"People point at the door, which is usually closed, like, 'Uh, it's in there,' " says John Heath of Crime Scene Clean Up in St. Petersberg, Florida. "Then you go in there, and you're always like, *What the hell am I getting into?* You're like, *Jesus Christ! Where do I start?*"

In an industry that amounts to little more than an ongoing nightmare, everyone seems to have a horror story.

"The creepy ones are when a dude will just go off on his wife and kill her," says Heath. "He beats her and drags her through the house, and you can pretty much see what happened. You can see the spot where he started to stab her, and he dragged her over here, where the smear is. And then he finished her off in the bathroom where the big, huge pile is. What freaked this guy out right at this spot that he did this?"

"I had a job where a guy had been dead for two and a half years," says Chris Wilson of Aftermath Inc., in Chicago, Illinois. "He had decomposed through the floor and down into the basement. The daughter was still living there; she knew he was dead. She was collecting his Social Security checks. She had the room sealed off with duct tape and had about a hundred air fresheners. The smell was so bad, you couldn't even breathe. We had to have respirators on just to go inside."

"One lady had garbage chest-deep from one end of her mobile home to another," recalls John Heath. "She died on top of the pile. She couldn't use her bathtub because it was filled to the top with kitty litter. She took a bath by swabbing herself down with alcohol. She defecated into the piles and urinated in gallon jugs. On top of the trash, on top of the feces, there were maggots through every layer. You walk in there thinking, *How come this lady didn't die years ago?*"

Most of the people who go into the trauma-scene-cleanup field have already been inured to the sight and smell of blood through years of firsthand experience working as paramedics, firefighters, morticians, butchers and cops.

Ron Gospodarski was a paramedic for 18 years. Now he runs the Bio-Recovery Corporation, with offices located in Brooklyn, New York.

BOBBY & DESIREE

Road-trippers Bobby and Desiree love the freedom of the open highway, but they really blow off steam on the pit stops.

"Driving fast makes my pussy so fucking hot," Desiree proclaims, caressing Bobby's breasts by the side of the dirt road.

"*You* make my pussy hot," Bobby replies, wriggling out of her skirt and pulling her panties aside. "My snatch is totally wet."

Desiree fingers her fellow speed demon's dripping hole.

"*Mmmm*," Bobby moans. "Jam it deeper…faster."

The brunette straps a dildo around her waist and lubes the prong with spit. "When I open up this hot rod, you'll beg for mercy."

Bobby splays her legs and spreads her folds. "Let 'er rip. Let's see what this baby can do."

Death's Janitors

"When they say you're 99% water, they mean it. Not only do they lose the blood, they lose the cerebral fluid, all the water in the muscles, fluid out of their eyeballs."

"We'd just take off our gloves, drop them there at the house or business and just leave," Gospodarski says of his former profession. "After so many people asking, 'What do I do now?' I realized that there's a need for this kind of business."

In an industry dominated by men with red-collar backgrounds, Neil Smither is an exception: He never came across a drop of blood during the course of a day's work before taking up his current gig.

"I was a mortgage banker for ten years," Smither says. When his division was downsized, he found himself out of a job and living off a small severance package. Smither was inspired to make a career switch while watching *Pulp Fiction*, the Quentin Tarantino film featuring Harvey Keitel as a murder-cleaning maestro. "I was thinking, *This is pretty unique, and someone's got to do this*," Smither says.

Four years later, Smither's San Francisco Bay Area-based company employs 217 people and fields 700 to 800 calls for deathbed cleanups each year.

"The American Dream is basically getting as much crap as you can," Smither says. "People kill themselves to get all this stuff, and then they blow their brains out. That strikes me as weird."

Weird, perhaps, but every dead person represents a business opportunity to Smither, and suicides are his bread and butter. "If something hits, we're there in an hour, guaranteed," he says.

* * *

It may not take a genius to mop up a puddle of blood, but trauma-scene waste management is no simple matter of soap and water. Postmortem cleanup crews routinely encounter the "natural death" (like "decomp," industry slang for a decomposing corpse). Everyday janitors need not apply.

"Anytime you have decomp that leaks through the floor, you've got a big mess," says John Heath, stating the obvious.

"When they say you're 99% water, they mean it," adds Heath, who often encounters 100% humidity working in Florida. "Not only do they lose the blood, they lose the cerebral fluid, all the water in the muscles, fluid out of their eyeballs—everything comes out and goes everywhere. Sometimes it will leak through floors and ceilings and down into the room below. You've got to cut the floors out, cut ceilings out, cut walls out. People get upset when they see me bringing the saws out, but if you don't get all the fluid out, you'll never get rid of that smell—you might as well scrap the place."

In addition to cleaning and deodorizing, trauma-scene sanitation experts are responsible for ensuring that grieving survivors don't stumble upon an overlooked body part. A postmortem cleanup crew is the last line of defense in protecting family members from being further reminded of a recent death by errant bits of blood and organs. Skull fragments, pieces of scalp, tongues, ears and other body parts scatter far and wide after a suicide or a murder involving a high-powered firearm, making absolute thoroughness a necessity.

"There's no way to do a half-assed job in this business," says Crime Scene Cleaners' Neil Smither. "If it's not right, the customer will know. They may not know immediately, but they'll know in 24 to 48 hours."

"Last week, we had a gentleman who committed suicide," says Gospodarski. "He used a shotgun. You can imagine what happened. The [Medical Examiner's] office came; they removed the body, but they didn't pull the door back—and there was his entire brain and his entire skull. Can you imagine any of the family finding anything like that?"

"Sometimes we'll find large amounts of tissue," says Dale Cillian with Specialized Cleaning in Phoenix, Arizona. "If it's enough, if I don't feel right about disposing of it, I'll package it up and take it to the funeral home."

Due to their vigilance, cleaners routinely find evidence overlooked by police investigators at crime scenes.

"The evidence techs and the crime-scene cops don't look under things," says Ron Gospodarski, of the New York-based Bio-Recovery Corporation. "We find shell casings and bullets all the time."

John Birrer, a former detective, has helped break cases with evidence he's uncovered on crime scenes while working with Asepsis Technology in Windsor, California.

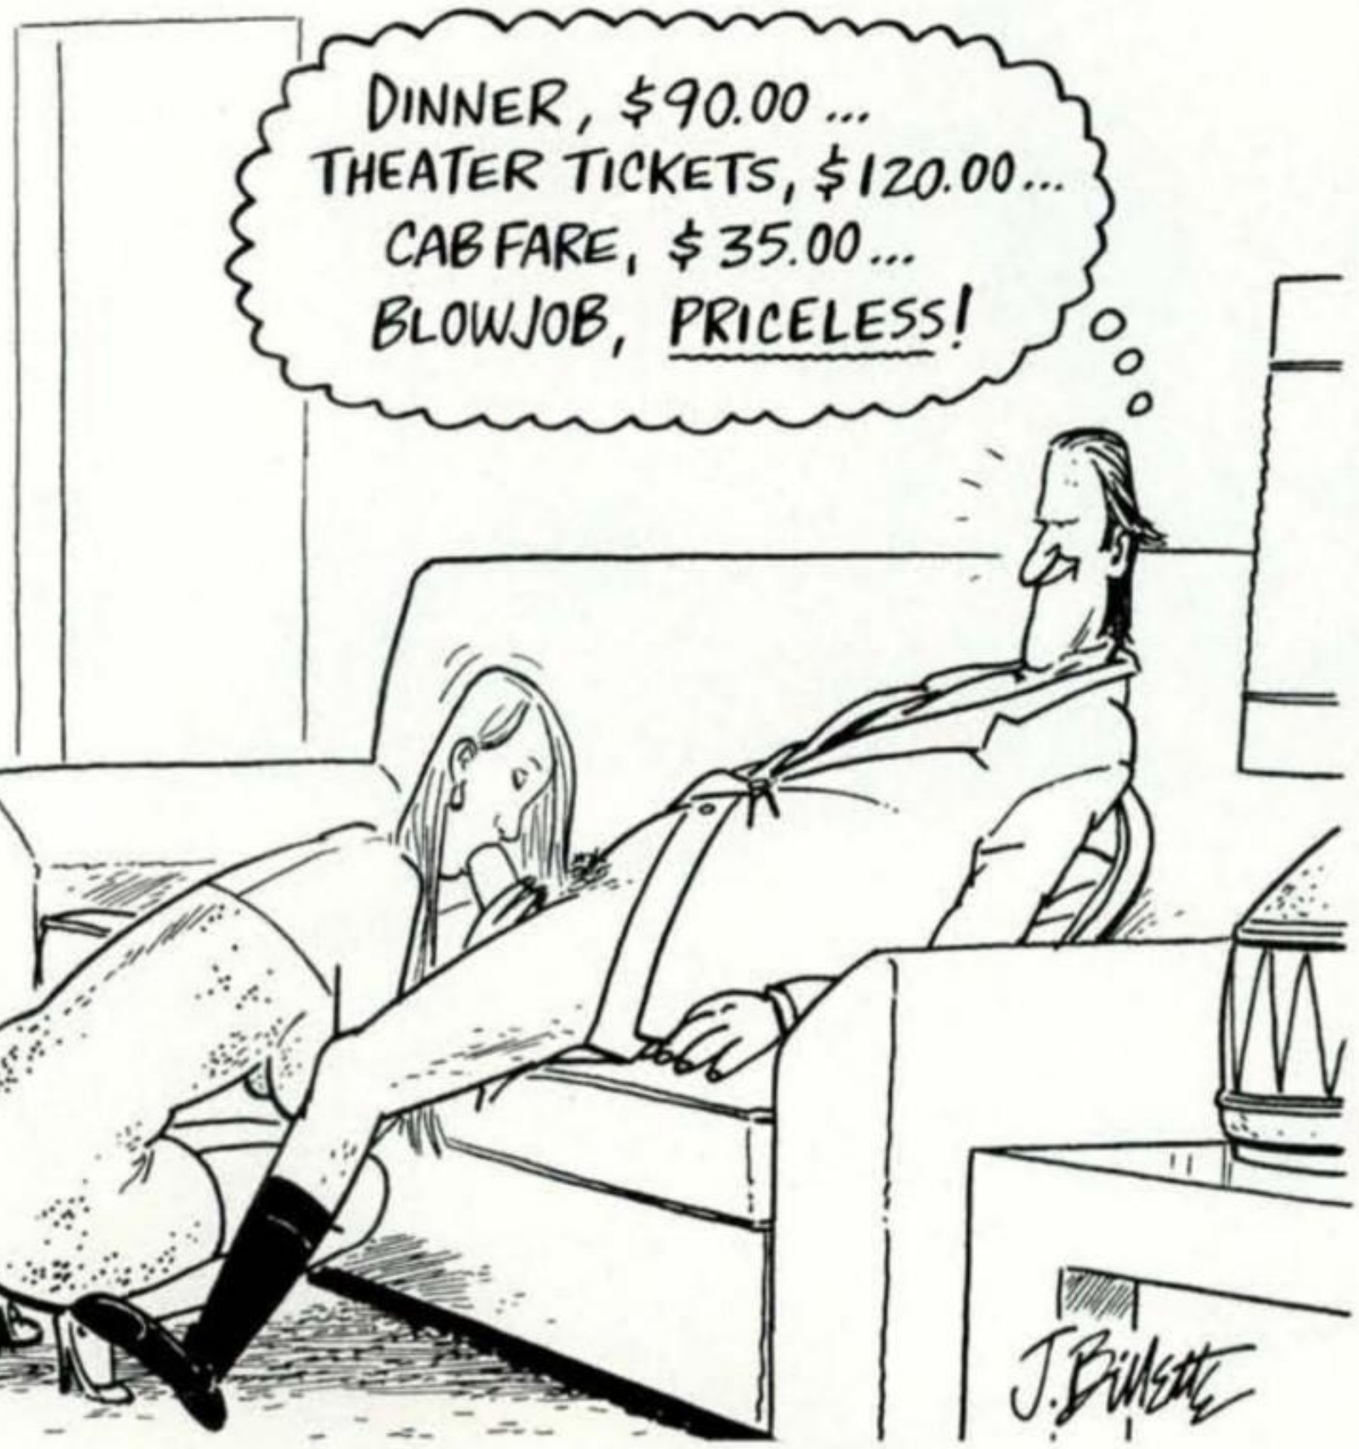
"There had been a homicide on a U.S. Navy ship," Birrer recalls. "We happened to find a tire iron taped underneath a bunk bed. It turned out it was covered with a suspect's fingerprints. We found the murder weapon and solved the case."

* * *

Given the AIDS scare and the concurrent epidemic of blood phobia, it is no surprise that the trauma-scene waste-management industry has exploded faster than a shotgun shell to the head.

"There's a niche here that wasn't there 20 years ago," says Mike Schott, an environmental specialist at the California Department of Health Services. "We didn't have AIDS or hepatitis B 20 years back."

"Blood's not just blood anymore—it's a



"If this dude gives us any shit, we'll go around to the rear and break in."

Death's Janitors

"We have this running joke where we celebrate a major decomp with Chinese food, because the fried rice reminds us of the maggots," laughs Fred Schutt.

potentially hazardous fluid. The general public has that fear now—when they see blood, the thing is, 'I don't know this guy or what he has; I don't want to touch it,' " says John Heath with Crime Scene Clean Up. "That's what leads to this big revolution in our business. In the past, people could take a bloody mattress and throw it in the Dumpster. Now you can't do that. People are thinking, 'Not only do I not want to clean this up, I have no idea where to throw this shit once I clean it up.' "

If a generalized fear of contact with body fluids has been a boon for the cleanup industry, it has also been a curse—death-scene janitors are constantly exposed to unsanitary conditions. Even though they are equipped with nonporous protective gear from head to toe, deathbed cleaners fall ill with colds, flus and worse.

"We don't know what people have, because they're dead; so they're not going to tell us, or the family's scared to tell us because they're afraid we won't go in there and take care of it," says Dale Cillian with Specialized Cleaning in Phoenix, Arizona. "You've got to assume everybody's got everything."

"We've heard of people in the business that have unexplained illnesses they just can't shake—respiratory illnesses that go on and on," says Kent Berg, founder of ABRA, the American Biological Recovery Association, a network of 28 cleanup companies around the country.

"In a suicide, where you have pools of wet blood, that's ideal for hepatitis," says John Heath. "If you're not wearing the right equipment, one little splash in your eyes or mouth—well, now you have it."

Even if a worker takes the proper precautions, his gear may tear, potentially placing his health in jeopardy.

"You'll be working and realize that the knee is ripped off your pants," says Heath. "Now your knees are all soaking wet with body fluid."

"I've had my gloves tear, and I've gotten a cut through my suit," says Kent Berg. "It's a sickening feeling, like a death sentence. Everything stops. You run out to the truck and start disinfecting right away."

* * *

Trauma-scene cleaners do their best to remain emotionally detached. As with any profession that regularly comes into contact with death, the postmortem-cleanup industry boasts a rich legacy of gallows humor.

"We have this running joke where we celebrate a major decomp with Chinese food, because the fried rice reminds us of the maggots," laughs Fred Schutt of Biorecovery Services, a trauma-scene cleanup outfit based in Ohio.

"You've got to be lighthearted," says Gordy Powell with Metro Crime Scene Disposal Unit. "We try to laugh things off, to get it out of our system. We poke fun at the decomps more than anything."

"Two guys walk into a room where there's a major shotgun-suicide decomp," jokes David Goforth of Sacramento, California, cleanup company Hyjentek. "It smells awful. One guy looks in the kitchen, which is unaffected, and politely says to the client in a very British way, 'I think I detect a bit of food odor. Would you like us to get the kitchen too?' "

Humor may be an antidote for the grim nature of the trauma-scene industry, but cleaning up after a gory death will have an indelible effect on almost anyone.

"A lot of my employees can't eat red Jell-O because it reminds them of blood," says Chris Wilson with Aftermath, in Chicago, Illinois, noting that the grisly business has taken its toll on him as well.

"I've had recurring nightmares, very graphic, that my wife and daughter had been murdered," Wilson says. "Anyone who penetrates that death scene will submit themselves to the grief cycle. We're human too."

"I'm really concerned about the guy who says it doesn't bother him, who says, 'I got a strong stomach,' " remarks David Goforth. "It's not a stomach problem; it's a head thing. We're looking for secondary victims to start popping up everywhere, as happens in cop and emergency work.

"My guys are screened thoroughly before they go into a site," adds Goforth. "They have to go through some desensitizing films; before they go to a place, they're put through a 'critical stress defusing' class so they'll know exactly what people feel."

Goforth remembers a colleague in Colorado who committed suicide, possibly due to job-related stress. "The man went in and suffered transference," Goforth says. "The person dead is the same age as you are. You don't see the person as they are; you see them as you. He must have seen himself dead on the floor. The next day, he blew himself away the same way: with a shotgun."

Most companies try to safeguard against such incidents by attempting to determine how well a prospective employee will cope with death before he is hired; cleanup outfits are also on the lookout for employees who are suspiciously overenthusiastic about death.

"Every now and then, we get a gore freak who's into the blood," says Neil Smither. "I've had a couple Gothic peo-

The thermometer reads a sweltering 98°, and the humidity's peaked at 100%. Gina's desperate to beat the heat. Rivulets of sweat drip from her bronzed flesh.

"That's the problem with summertime—after you strip naked, there aren't many other options. Luckily, I've discovered a thermodynamic method of cooling off."

Two slick fingers slide into her steaming nether cleft. Gina's back arches as she massages her fevered clit. Boiling juice bubbles from her clenched vage. Her body temperature drops with the expulsion of the steaming she-jizz.

"That was nice," Gina sighs, wiping the perspiration from her brow. "Hot and sticky, but oh so refreshing."

HUSTLER HUMOR

A hillbilly's mother kicked him off the porch. "Lamar," the old lady called, "I need you to get out there and fix up the outhouse!"

A few moments later, the cronish hayseed heard her son's voice from a distance of several yards. "Maw, ain't a thing wrong with this here shitter."

"You just put your head right down in the hole!" the matriarch yelled.

A second later, Lamar's muffled voice returned. "*Ow!* Maw! Maw! My beard's stuck!"

The old lady nodded and hollered back, "Aggravating, ain't it?"

Question: What's the difference between your ex-girlfriend and Charles Manson?

Answer: Manson has the decency to look like a nut when you first meet him.

The HUSTLER Dictionary defines *autoerotic asphyxiation* as: a choke taken too far.

George walked into a bar in Chinatown. The bartender grinned and said, "What you rike?"

"Give me a Stoli with a twist," George said.

Puzzled, the Chinese bartender squinted, then brightened. "I know: Once upon time, was *four* rittle pig...."

Father Patrick invited a pretty young lady working at the hotel desk up to his room for dinner. Soon, the priest started groping the girl.

"Father, please!" the desk clerk pleaded. "You're a holy man!"

"It's okay," the cleric assured her. "It's written in the Bible." The girl relented and the couple banged all night.

The next morning, the tired desk clerk asked, "Father? Could I see the Bible passage you mentioned last night?"

Father Patrick found the King James edition in the dresser and pointed to the inside front cover, where somebody had scrawled in pencil: THE GIRL AT THE DESK PUTS OUT.

Gordon, an American serviceman, was in Casablanca for the first time when he was accosted by a shifty Arab vendor hawking canned goods.

"I sell tinned donkey meat, $20," urged the merchant. "Very rare indeed."

Gordon coughed up the cash and took his purchase back to his hotel. Alone in the room, he opened up his prize and saw that the container held nothing but stale air. Furious, the G.I. ran all the way back to the crooked vendor and pinned him against the wall of his tent.

"That can you sold me was empty," Gordon growled.

"How fortunate!" crowed the Arab. "The very first time you buy donkey meat and, rarity of rarities, you are lucky enough to find the asshole!"

Question: How does a gay man fake an orgasm?

Answer: He spits on your back.

A blonde named Vanessa was shopping when she heard an electronic *beep* from her purse. Knowing that her husband liked to give gifts at odd moments, she wasn't surprised to find a brand-new cell phone inside.

Vanessa excitedly pushed the TALK button and put the new toy to her ear. "Hello?"

"Hi, honey," Vanessa's husband said over the phone. "How do you like your anniversary present?"

"It's perfect!" the blonde grinned. "But how did you know I was at Wal-Mart?"

When Oswald fucked a farmer's daughter, her daddy shot the horny salesman in the crotch with a 12-gauge shotgun.

Oswald quickly took off for town, cradling his wounded cock and balls. The local physician took one look at the salesman's perforated pecker and pronounced it beyond repair.

"It looks like Swiss cheese!" the wounded fucker whimpered. "Please do something; I'll pay you anything."

"Sorry, son," said the doctor. "However, I do recommend the man across the street."

"Is he a specialist?" asked Oswald.

"No," the doctor replied. "He's a piccolo player. He can teach you how to hold it without pissing in your own face."

PLATINUM PUSSY PARTY

THROW DOWN SERIOUS CASH
FOR HIGH-END GASH

OVERVIEW BY
WILLIAM McWEARY

HANDS-ON TALES BY
"GENERAL" HENRY BIGGS

ILLUSTRATION BY CARLOS CARTEGENA

Wet dreams come to life in the company of top-shelf hookers. Paid sex doesn't get any better than a hassle-free fuck from a covergirl-quality ass merchandiser with a flair for the job.

Time spent with a hooker can scar a man for life. A poor man will buy a $5 handjob from a toothless crack whore, and his dork will develop a Pavlovian aversion to anything with two X chromosomes; a rich man will spend a lost weekend with the ideal of female perfection, and he may never be able to return to banging his ball-and-chain again. Money distinguishes the wealthy man from the working-class schlub, but both are equally susceptible to hooker-induced misery.

Last month, HUSTLER's intrepid tag team of consumer advocate William McWeary and test pilot "General" Henry Biggs rated the low end of prostitution's ranks. General Biggs enjoyed a mouth massage from a jack-shack geisha, purchased a second hummer from a gender-indeterminate streetwalker and blasted a load of chowder into an incall floozie's snatch. This month, lucky bastard Biggs samples the cream of the escort crop. His firsthand experiences prove that money can buy happiness—usually about an hour's worth. ➤

$$$ Gash

In the dim light, she looks like Sharon Stone, if Sharon Stone had crow's-feet around her eyes and mouth and a psychotic flit to her eyelids. Okay, she looks *exactly* like Sharon Stone.

JACK & COOZE: THE BAR HOOKER

Prep: Rent a room in a high-profile hotel; shower and hit the bar.

How to Find: Stake out fancy and semifancy watering holes in your city or camp out in a swanky hotel, especially when a convention is in town.

Price Range: $250 to $800.

Pros: Sitting for a long time getting drunk; if she's not a hooker, she could be your next girlfriend.

Cons: Sitting for a long time getting drunk; if she's not a hooker, she could be your next girlfriend.

Risks: Being bounced from the bar for inappropriate behavior (be sure to tip the bartender); getting arrested for loitering (keep ordering drinks); alcoholism.

THE McWEARY THEORY

The bar hooker is by far the most challenging type of sex-for-sale animal. Any guy can go to a supermarket's fish counter and buy a salmon fillet, but to catch his own sockeye, kill it, gut it and fry it up requires the skill and determination of a true hunter. The same is true for snagging a slice of snatch at a local watering hole—it can be done, but it requires savvy and know-how.

In the case of the bar hooker, the bartender typically plays the role of pimp. Chat him up and, after several rounds, ask 'where a businessman can find some action in this town.' Posing as a tourist (i. e., playing dumb) tends to open up conversation, as does slipping the booze merchant a hefty tip. Sometimes several visits are needed to build trust; consider each Jack and Coke an investment in future fucking.

Another strategy for zeroing in on bar girls, one that cuts out the middleman/barkeep, is to locate conventions in town and stay at a nearby hotel.

"I saw the bar-hooker phenomenon firsthand at a gaming convention in New Orleans," says Patrick, a Web master for an online casino. "Working girls hit the hotel bars when businessmen are in town. I wait for new conventions to roll into the city, hang at the bar and approach every girl. Hell, if she's not a hooker, I could end up with a freebie."

Consult local newspapers or call a city's convention center for a schedule of upcoming events. Find out from the convention center's information line which hotels offer packages for incoming businessmen; odds are, good-time girls will set up shop in the lounges of these fine establishments.

After locating a bustling hotel lounge, sit at the bar and relax. Maintain composure and never drink too much. Alternate alcoholic beverages with soda or water—the goal is to be loose but lucid.

When a working girl arrives, the barkeep (by now, your friend, after several rounds of generous tips) will nod in her direction. Send the lady a drink. It is best to have a room ready upstairs, as most barflies won't want to climb into a stranger's car and leave the safety of home base behind. As with incall girls, always negotiate the specifics of the sex act, as well as the price, up front. False assumptions and high expectations can lead to disappointment.

GENERAL BIGGS'S TRENCH REPORT

I have cased a handful of Los Angeles's flashier nightspots and have settled on the bar at a ritzy Beverly Hills hotel. I throw down $160 for a standard room, shower and hit the bar.

An hour passes before a girl I had noticed the previous weekend saunters in and sits by herself at a cocktail table. In the dim light, she looks like Sharon Stone, if Sharon Stone had crow's-feet around her eyes and mouth and a psychotic flit to her eyelids. Okay, she looks *exactly* like Sharon Stone. The woman's pert breasts fill out the front of a tight, black evening dress quite nicely. I ask a cocktail waitress to bring the low-profile whore a cosmopolitan.

It isn't long before the lonely lady lifts her drink and smiles in my direction, my cue to sit down at her table and introduce myself. We chat about nothing for a couple of rounds until the Sharon Stone lookalike decides that it is safe to drop her opening line.

"So, do you have a room here?" she asks.

"I do."

"Wanna have a little party?"

"I do."

The hooker leans toward me and brushes her lips against my ear.

"For $500, I can make you come all night," she whispers. Her hot breath raises goose bumps on the side of my neck. My new friend is staring me in the eye, attempting to gauge my reaction. In my mind, we're already upstairs.

Once we settle into my room, "Becka" collects my cash and stuffs the bills in her purse. Next she uses the bathroom, then phones her boss. Having taken care of business, Becka unbuttons my shirt, licks my chest and bites my nipples. "Wash up and meet me in bed," she orders.

Between the sheets, Becka straddles my dick. With the alacrity of a seasoned professional, the blonde produces a condom and rolls the rubber down the shaft of my

She screams something like "Go ahead, stick that finger in my tight asshole, baby." I act on her instructions, but Becka's hand clamps tightly around my wrist, indicating that I heard wrong.

cock. Becka takes her time with the oral preliminaries, suckling my dork from knob to nads. I tell her that I want to eat her pussy, but she politely declines and places my fingers on her clit instead.

I rub the pretty bar slut's love button, which triggers histrionic moaning that rivals screen slut Teri Weigel's phony shrieks. I lick my finger and run the digit through Becka's slit. The whore is positively caterwauling. She screams something that sounds like "Go ahead, stick that finger in my tight asshole, baby." I act on her instructions, but Becka's hand clamps tightly around my wrist, indicating that I heard wrong.

I knead my lady friend's B-cup boobies, then climb between her legs and slide into her snatch, which is tight, primarily because it is dry. I pump my penis deeper and deeper into Becka's gulch; with each stroke, her cunt moistens and loosens. Eventually, I slam my six-inch stick as deep as our interconnected anatomies will allow. It isn't long before I'm ready to blow my load.

"Do it inside me, baby," Becka screeches. "That's it. Give it to me!"

I unload wave after wave of splooge into Becka's hole (or, more precisely, into the latex that's strapped onto my bone). The girl grasps my testicles and feels my balls quiver with aftershocks. I peel myself off her sweaty stomach, walk to the minibar in the front room of the suite and twist open an airline bottle of Stoli. *One fuck down, all night to go*, I muse, deeply satisfied.

When I return to the bedroom to snuggle with Becka and warm up for the next round of lovemaking, I find that my meretricious companion has hastily dressed and is talking on the phone.

"I'll be there in ten minutes," I hear Becka say.

"What's going on?" I ask out loud.

"Sorry, I gotta run."

"I thought you said all night."

"Take care, sweetie." Becka brushes me off and flees the room.

Total Cost: $660 (without drinks).
Elapsed Time: Two hours.
Afterglow: "Hello, room service? I'd like a large cheese pizza and six Heinekens."

THE PROMISED LABES: THE HIGH-CLASS HOOKER

Prep: Shit, shave, shower, shine and masturbate.

How to Find: Unless you know Charlie Sheen, consult the Internet.

Price Range: $600 to $3,500.

Pros: The most beautiful girl you've ever fucked.

Cons: A month's pay down the tubes.

Risks: Divorce (if you find yourself unwilling or unable to return to having sex with your wife); bankruptcy.

THE McWEARY THEORY

Madam-to-the-stars Heidi Fleiss was onto something: Well-heeled gentlemen will pay good money to fuck the finest femmes in the world.

"You pay for quality," says Niki, a $600-an-hour escort. "With me, you get Nordstrom's as opposed to Target."

Paying through the nose has advantages above and beyond the fact that more money buys prettier and hotter chicks; those same hot chicks will be inclined to indulge the paying prick's sexual idiosyncrasies, because high-class whores understand that wearing a heftier price tag requires providing a full-service sexual experience. Of course, more exotic requests inflate an already sky-high fee.

"A guy once asked me to give him a golden shower, which is no big deal," says Niki. "He just wanted me to stand over him and pee on his chest. Things like that, I negotiate a little more, like an extra $50."

Another nasty Nici (www.nicisgirls.com) has gained widespread notoriety by providing upscale gents with the cream of the hooker crop. For $1,000, a man can spend an hour with a former or future HUSTLER Honey. Double that price, and the same lucky stiff can spite his ex-wife or show off at his high-school reunion with one of the world's sexiest women on his arm. A cool $4,000 has been said to buy quality time with an A-list porn star, the likes of Brittany Andrews, Jeanna Fine, Lene Hefner and Sunset Thomas.

Most upmarket escorts offer a multihour dinner-date package that includes a naughty nightcap. These "date" scenarios typically last for about four hours.

"We meet in a restaurant bar around eight o'clock," Niki says. "We'll drink and maybe take a walk. I've even seen movies as part of the evening. These guys want the experience of a date without worrying about whether they're going to get something at the end of the night."

"You should always negotiate a flat fee up front for your scenario," advises cybermadam Sweet Sarah. "A quality girl should charge no more than $1,500 for dinner, dancing, hot-tubbing and sex.

"Client rules are simple," Sweet Sarah adds. "Take a shower, brush your teeth—maybe even twice. Put on cologne."

Ironically—or perhaps predictably—a

«BLAKE»

TECHNO SLUT

PHOTOGRAPHY BY MATTI KLATT

Blake is the best gearhead on the left coast. Her savvy acts of techno-anarchy have put Blake at the top of the FBI's Most Wanted list, but her nuts-and-bolts knowledge of coupling has garnered her fame as the most fuckable silicon seditionist on the planet.

"My main interest is wetware—screwing is the ultimate human interface." That's why so many hackers, crackers and phreaks pay visits to the insatiable beauty's San Francisco underground enclave. "There's only one rule here: pleasure before business."

Blake describes a typical rendezvous with a sex-starved Net monkey. "I strip the geek's pants and swallow his trunk. Soon he's slamming my flesh port like a pro. If I'm lucky, the cyberpunk downloads his DNA on my face."

The comely insurgent licks a finger, reliving the climax. Blake flips her raven tresses, finally realizing she's been straddling her rifle. "This? It's just a souvenir from the last raid," Blake explains with a wink. "Sometimes it pays to be friendly to government dicks."

$$$ Gash

She looks like a Victoria's Secret model, with emerald panties and matching bra. She seductively strips off her underwear; her pussy is neatly coiffed and dyed as bright blond as her mane.

pricey tart's typical trick tends to be a married man. "I get a lot of movie stars and sports figures," Niki reveals (though she declines to name names), "but the majority of my clientele is businessmen, and 90% are married."

A man who is willing to pay a premium for sex should not content himself with ten minutes of wham-bam-thank-you-ma'am; the chump's change has bought at least 60 minutes of a woman's time, and he would do well to make every minute count. High-class whores recommend that a john consider a little romance.

"If he sets up a little date, it makes me feel more comfortable," Niki says. "Appetizers are nice, like a shrimp cocktail. Open liquor makes me worry that something could be slipped in my drink; so wait until I get there before opening a bottle. The more comfortable I am, the more fun he's going to have."

The advice that a whore is not likely to give to a prospective john is to masturbate before her arrival. Ridding the penile pipes of that initial load of excitement forces a hired guppy to earn her cash and affords the man greater staying power—essential in maximizing every second of in-and-out time with a piece of gold-plated gash. Endurance is particularly important given the fact that the high-priced pussy party is over once the trick blows his load.

"An hour is one party," Sweet Sarah says. "Most guys are through in 15 minutes, but that's still considered an hour. She may sit with you or give you a massage, but additional sex will cost more money. If you know you're a five-minute guy, ask her for a sensual massage in the beginning; relax, have a drink, chat, then get to it. On the other hand, if you talk too much or waste too much time, she'll split at the 60th minute unless you pay for another hour."

Allow a certain amount of time early on for mental and visual foreplay, then let the nut-busting games begin.

GENERAL BIGGS'S TRENCH REPORT

Having plumbed the desperate ins and outs of prostitution's lower levels, I am ready for the top of the hooker heap. After days of Web-surfing, unreturned calls and interactions with dubious phone personalities, I settle on Chantel, a bubbly girl who is "guaranteed to please" for the one-time-only price of just $800 an hour. With a deeply tanned body and long, flowing platinum-blond locks, Chantel looks like she just walked off a Mötley Crüe video shoot. My date with the Pamela Anderson Lee lookalike is set for 8 p.m. I whack off at around 7 p.m., then clean myself up, dress and lay eight hundred-dollar bills on a silver tray next to a bottle of champagne.

Chantel shows up at my home at 8:23 p.m.; her face is tanned and her bright-blue eyes shimmer under the porch light. She looks lovely. The girl wears a tight, white dress and red, spiked heels and carries a large purse with a beeper clipped to the outside. For the first time in my history of hooking up with hookers, I feel free from the threat of cops, scams or bad service.

"You're so pretty," I tell her.

"You're sweet," she replies.

With this simple, bland exchange, the ice is broken. We sip champagne and speak of sex.

"I want this to be the most memorable night of your life," Chantel says. "Tell me what you want."

My dick is already hard, but I don't want to start fucking yet. Chantel is like a still-wrapped Christmas gift—part of the thrill is not knowing what is inside.

"I used to be a professional masseuse," Chantel says proudly; she puts her skill to use by removing my shirt and rubbing my shoulders. Chantel then demonstrates that she is currently a professional slut by gently blowing into my ear and running her tongue across the back of my neck.

With 20 minutes elapsed, my lady friend still hasn't removed a stitch of clothing; not surprisingly, I am highly aroused. Finally, Chantel stands up and drops her dress to the floor. She looks like a Victoria's Secret model, with emerald panties and matching bra. She seductively strips off her underwear; her pussy is neatly coiffed and dyed as bright blond as her mane.

Chantel lies back on the bed and pries open her snatch, displaying the fresh, young, beautiful love tunnel I'll soon be slamming into. I remove my slacks, and we whack off in unison. She rolls over onto her stomach and spreads her ass cheeks. The delicate crinkles of her anus are a tongue's length away.

Chantel drops to her knees and makes eye contact with me from beneath my balls. "You've got a beautiful cock, Henry." The top-shelf whore tickles the underside of my shaft with French-tipped nails, licks my stick from bottom to top and swallows the entire shaft.

Chantel's blowjob is crisp, clean and effective. She pulls her head away from my rod and breaks a long line of saliva that connects her face to my veiny foil. She smiles and guides my hand so that my palm presses against her left breast. "Do you feel how fast my heart is racing?" she asks. There's no faking a pounding heartbeat; my hard-earned dol-

Beaver Hunt

Proudly pulling aside her bikini bottoms for the camera, 33-year-old Deanna displays her tanned, bald beaver. Deanna has big plans for her hairless morsel. "I want to be tied up and fucked, be done in the river while fishing, and eaten out in a public restaurant." A banker from Seattle, Washington, Deanna spends her free time bowling, boating, fishing and watching car races. Flash that gash at every opportunity, Deanna!

Attention, ladies! Are you an amateur nudist over 18 years of age? The 2000 *Beaver Hunt* Grand Prize Competition is looking for *you!* Snap a clear, color picture, and mail it to HUSTLER *Beaver Hunt*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets $250 and a chance at the 2000 Grand Prize—a photo-feature worth $5,000. Grand Prize Finalists win $1,500 each. The award for the photographer of the Grand Prize Winner is $500, and the Finalists' photographers win $250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

Tennis, wakeboarding and working out keep sultry Hope's ass in perfect shape. An insurance customer-service representative from Oklahoma City, Oklahoma, Hope, 31, is one hot lesbian with a mission. "I want to have my cherry popped by a man while my girlfriend watches," Hope confides. Forget the federal building—you're the real bomb in town, Hope.

Amateur Photo/Video Contests * WIN $5,000 CASH!

MODEL RELEASE / ENTRY FORM

To enter HUSTLER *Beaver Hunt* or HUSTLER *Video Beaver Hunt*, you must be over 18 years old, and you must fill out and send this release and COPIES OF TWO FORMS OF ID, ONE WITH PHOTO (i.e., driver's license, passport, work or school ID card or photo ID issued by state). Second ID can be birth certificate, Social Security card, credit card, marriage certificate or immigration card. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Send videotapes in VHS format. Showing pink is optional at entry stage. All photos and videos become the unreturnable property of HUSTLER Magazine, which buys all rights in perpetuity to photos and videos we purchase. Win $250 if we publish your photo, or $500 if we choose your video, and win the chance to be in an extended pictorial or feature video worth $5,000. Send photos, videos, IDs and release to HUSTLER *Beaver Hunt*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

Rose is a 25-year-old masseuse from Ann Arbor, Michigan. The dirty blonde enjoys meditation, playing with her tits and disc golf. An aspiring carnal diplomat, Rose dreams of "having sex in the great outdoors in every country in the world!" Sounds like a solid foundation for a nude world order.

Photo by Boyfriend

A bubbly, 26-year-old resident of Honolulu, Hawaii, Haley lists diving, hiking and reading as her favorite hobbies. "Sex with a cop on the hood of the patrol car with all the lights flashing" is the intense fantasy of the fun-loving blonde. At least when the officer says "spread 'em," she'll be well prepared.

Photo by Husband

Aria pets her pussy, making it purr and arousing the interest of her cat and HUSTLER readers alike. A student and tutor, Aria, 22, enjoys dancing, reading science journals and cooking in the nude in Los Angeles, California. Aria fantasizes about elevating her sex life. "One day, I would like to figure out how to have sex in an airplane bathroom," admits the Mile High Club wanna-be. Any current members want to break in Aria?

Photo by Boyfriend

"Fucking a big, black dick for the first time" is one of the many fantasies of Candy, a 25-year-old secretary from Tampa, Florida. "Dancing, nude sunbathing and showing off my tits in public" are the equal-opportunity fucker's hobbies. The bouncy blonde also dreams of "making it with another *Beaver Hunt* girl." Calling all *Beaver Hunt* alumni: Sweet Candy requires immediate sucking!

Photo by Boyfriend

Melissa, 24, is a housewife from Baltimore, Maryland, who loves singing, dancing and sex. Keeping up with the Joneses with regard to sexual matters is important to the curious blonde. Melissa confides that "I want to have another couple join my husband and me for a night of balls-to-the-wall, hot sex!" Here's hoping you and your mate win the race, Melissa.

Photo by Husband

Amarillo, Texas, is the stamping ground of beautiful 29-year-old Tawni. A dancer and an ordained minister, Tawni takes pride in her God-given physique. When the blond siren isn't thumping the Bible or swinging naked around a pole, she enjoys "riding Harleys, horses, cocks and beautiful girls' faces." Mutual masturbation is Tawni's ultimate thrill. "I love the thought of someone beating off at my picture in HUSTLER." So does the HUSTLER congregation—*amen!*

Photo by Friend

"Watching porn movies and sucking my mate's dick" are the hobbies of lovely Fiona, 22. A housekeeper from Berlin, New Hampshire, Fiona frigs her clit silly while daydreaming about "watching two men have sex before joining in." *Whew*—nice save, Fiona.

Photo by Friend

Hope is a student from Traverse City, Michigan, who has simple loves: "Fishing, playing with my dogs and sunbathing on a boat in the middle of a lake." A romantic visionary, 24-year-old Hope fantasizes about "having rushed but hot sex on the roof of a car in a thunderstorm." Allow yourself a cloudburst of lust, Hope.

Photo by Friend

A package handler from Baltimore, Maryland, lovely Kimberly clearly manhandles her own goods with reckless abandon while off the clock. The sparkly, 28-year-old brunette lists her hobbies as working out, shopping, going to the movies and fucking. Kimberly loves the ladies and wants to show the world how girls "do it" in a public demonstration of girl/girl love. Don't forget to invite HUSTLER to the big event, Kimberly.

Photo by Friend

A real-estate agent from Swansea, Massachusetts, lovely Ann is a class act who turns 47 this month. Sailing, cooking, gardening and sex are Ann's favorite pastimes. The leggy lady harbors a fantasy of "having sex with another man while my husband videotapes us."

Photo by Husband

"You don't have to be a teen or twentysomething to be in shape and sexy," proclaims Cheli, a 30-year-old mother and officer of the court. Grand Rapids, Michigan, is home to gorgeous Cheli, who lists Tae Bo, camping and weekend getaways with her husband as favorite activities. The hot blonde dreams of "sharing another woman with my husband."

Photo by Husband

Exposing her swollen clit, 31-year-old Rhonda is ready for anything that moves. A college student from Langhorn, Pennsylvania, the pixie-haired brunette also runs her own business. Rhonda spends her leisure time reading, dining and surfing the Internet for porn. The sultry vixen's fantasy is to "enjoy the pleasures of two women at the same time." Any volunteers?

Photo by Boyfriend

Suzan is a housewife from Troy, Michigan, whose favorite diversions include dancing and working out. Generally happy in the sack, the bald-beavered 25-year-old hopes to take her lovemaking to new heights. "I want to join the Mile-High Club!" Suzan announces to the world. Try this, Suzan: When the flight attendant asks you if you want anything to drink, say "cum."

Photo by Husband

Spreading her split for the camera is Tru Honey from Rockford, Illinois. The 18-year-old golden-brown lady works her magic as a model. When asked about her sexual fantasies, Tru Honey proudly states, "I take care of everything I dream, and what I like comes to me." How about a little taste, Tru Honey?

Photo by Boyfriend

Straddling the hot beach sand is sexy Alison from Madrid, Spain. The blond 34-year-old has simple requirements when it comes to sex. "I like my partner to penetrate his stiff penis into my hole as deep as he can—as slowly as he can—so I can feel and enjoy every movement of his cock. In this manner, I lose count of the number of times I come." Who's counting?

Death's Janitors

(continued from page 72)

ple try to get on. They turn out to be vampire wanna-bes."

* * *

The Occupational Safety and Health Administration establishes guidelines for the disposal of hazardous waste and requires workers dealing with blood and body fluids to use the "appropriate" protective gear. Still, just about any schmo with a mop and a pail can start his own cleanup business.

"There aren't any standards for cleaners," says John Birrer. "You pay 200 bucks [for California Department of Health Services registration fees], and you're in business."

With the cost of a cleanup ranging from several hundred dollars to tidy up a low-caliber suicide to tens of thousands of dollars to set right a house following a SWAT siege, there is money to be made in postmortem work.

"There's so many Joe Blows who think this is a get-rich-quick business," says John Heath. "If you don't promote the business, you'll die a slow death. Frankly, it's a business that no one thinks about until they need it. You gotta go out there and hammer it."

From a marketing standpoint, trauma-scene management is a hard sell, especially since police and paramedics are usually forbidden from referring people to a private company.

"Most of my clients came from direct sales, hitting people up," says Neil Smither. "I sold every single day, all day long; I had nothing else to do but grow broke. Anyplace that I could think of that had a lot of people in it or was affected by death in any manner, I hit big time."

Gordy Powell's first marketing step was to approach police departments.

"That didn't work," Powell says. Next, he contacted funeral homes, coroners, medical examiners and the like, all with limited success. Powell finds a direct approach to be most effective.

"If there's a murder, we let the crime scene sit for 24 hours. Then we'll call up the funeral director and tell him about our services," Powell says. "Then I'll go ahead and fax him some information."

Shills who push a good or service upon a sobbing survivor are by definition sleazy, but trauma-scene janitors are absolved of some guilt because they take care of the kind of messes that no one wants to deal with. Business is business, even if it's drenched in blood.

"I don't get real sentimental," says Neil Smither. "I'm a businessman—that's all it is to me. I'm sorry your kids got hurt; I'm sorry your hotel room got screwed up; but I'm damn glad you have my phone number."

$$$ Gash

(continued from page 107)

lars appear to have purchased passion.

I lead Chantel into the bedroom; we paw at each other in the darkness. Her hand never leaves my dick. I fumble with a rubber for anxious seconds before she pushes me to the mattress and squats above me. She spreads apart her pussy lips and sits slowly on my cock.

"I want to feel your hard cock from every angle," Chantel purrs. We fuck slowly for 30 minutes: reverse cowgirl, missionary, doggy-style, spoons—I have an all-access pass to Chantel's body.

When holding back an explosion of sperm is no longer an option, I announce that the end is near. "Can I come on your tits?" I ask.

Chantel smiles, presses her golden globes together and urges me to splooge on them. "Shoot it all over me, Henry. Just keep it off my face."

No problem. I pull out of my hired date's velvety vise and hurl the condom at my bedroom window. A blast of semen splashes against her left tit and spills onto my sheets. I attempt to top off her navel with the final spurts of ball batter.

Chantel tastes my gonad grease, then instructs me to lie on my chest. Nude, she straddles my bare ass and massages my neck and nads.

I fall into a half-sleeping state; Chantel retreats to the bathroom. When she returns, I have no desire to move. She sits next to me, kisses me softly and thanks me for a great time. "You're very special, Henry," she whispers, before tweaking my nose like my mother used to after tucking me in. She kisses my lips lightly and leaves.

When I awake the next morning, the used condom is stuck to the center of my window, a foot above my dog's outstretched snout—proof enough that the best sex of my life had not been a dream.

Total Cost: $825 (including champagne).

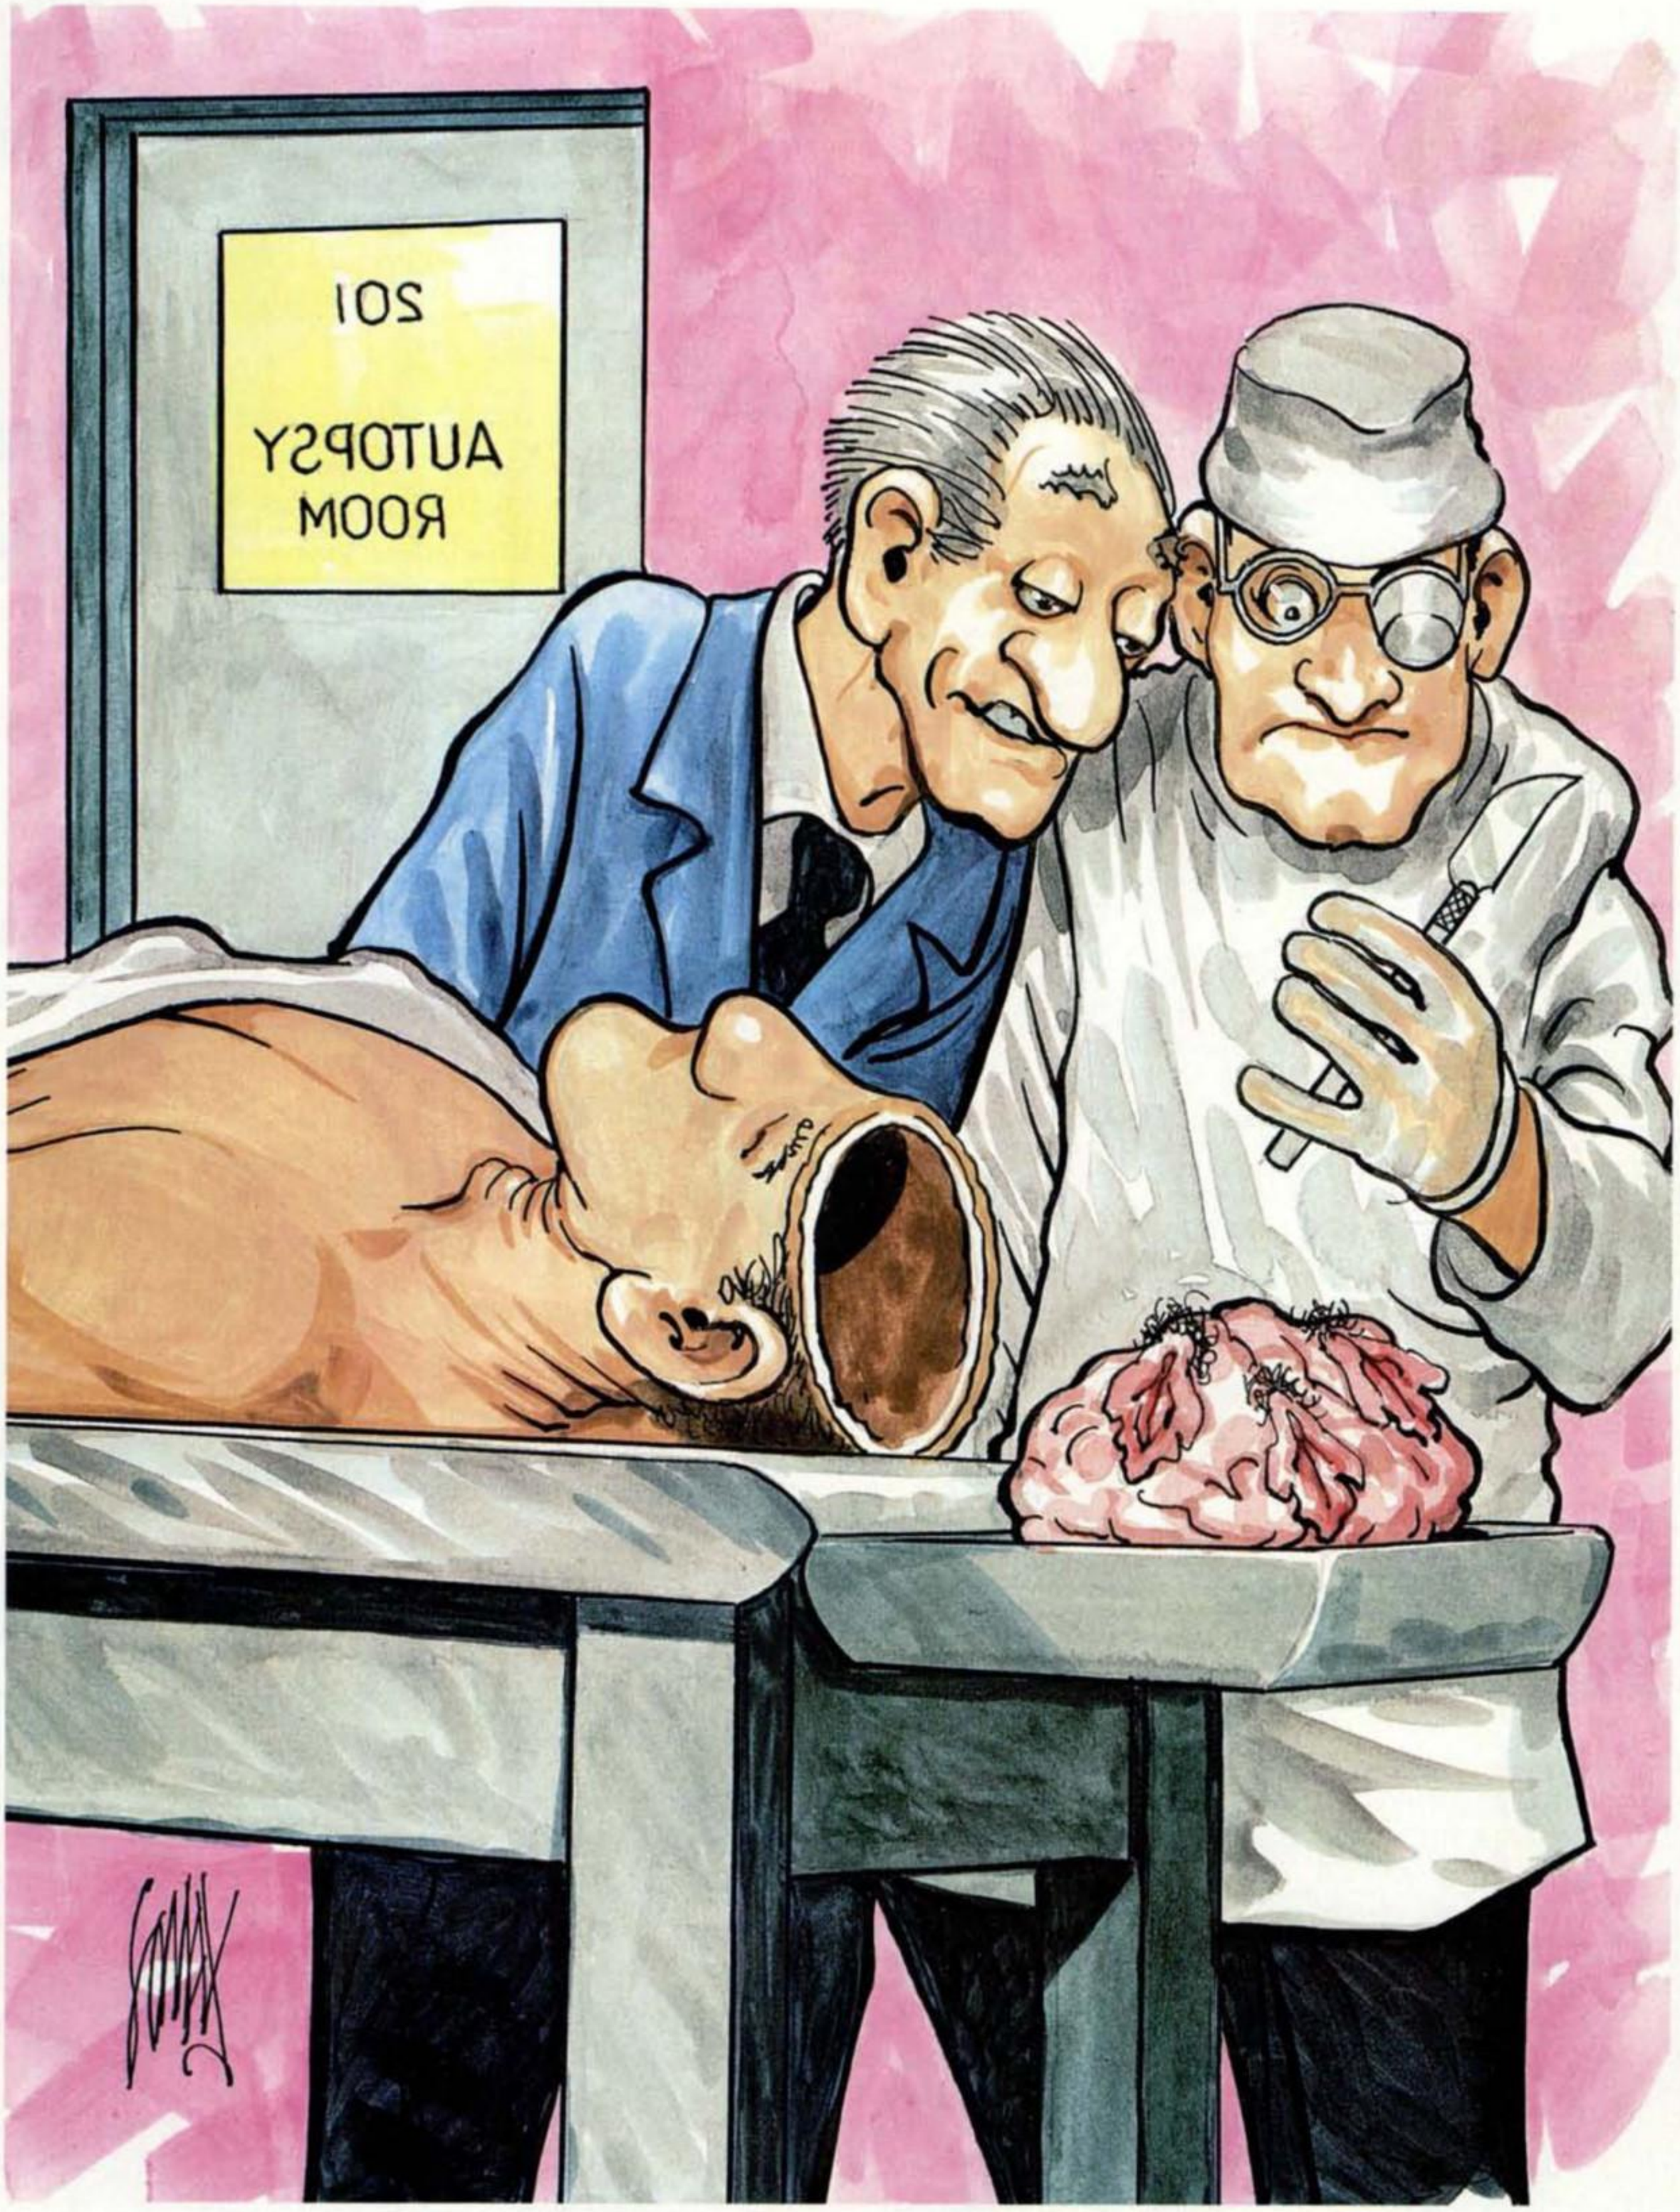
Elapsed Time: 75 minutes.

Afterglow: To sleep, perchance to dream.

* * *

THE GENERAL'S SUMMATION

The giddy rush of whoring having passed, reality dawns on me like a freshly sprouted herpes sore: I have blown nearly $2,000 on a smorgasbord of snatch. With my savings account and my testicles equally dry, I am left feeling that, at the end of the day, I'd rather have a girlfriend. It's true that prostitutes don't nag (they barely speak), but a girlfriend will allow you to kiss her on the lips, lick her pussy and come inside her, all for the price of listening to her complain.



"I've seen this before: pussy on the brain."

New Wave Hookers Pt. 4

A new level of XXX! Insatiable Juli Ashton and Chasey Lain star in this cutting edge sex video. Naughty Nikole spreads wide for Tom Byron's bone while Barbara Doll teaches Marc Wallice and Nick East a new D.P. trick. Greg Dark has done it again in this rollercoaster ride through the wildest and wettest sex you'll ever see on video.

PENIS ENLARGEMENT UP TO 12 INCHES

DR. BROSS COMPLETE PROFESSIONAL SYSTEMS

Jon West in the full length video feature *The Pleasure Principal*

YOU CAN HAVE A LONGER, THICKER AND HARDER PENIS NOW! OUR CUSTOMERS TELL US 9 INCHES...10 INCHES...EVEN A BIG 12 INCHES IS POSSIBLE!

The world's largest selling Penis Enlargement System used successfully for over 30 years with over 20 million satisfied customers.

Easy To Use! Fast Results!

CERTIFIED AND APPROVED FOR PENIS ENLARGEMENT BY DR. BROSS

HERE IS WHAT THE DR. BROSS PROFESSIONAL PENIS PUMPS CAN DO FOR YOU.

Increase penis thickness and length ■ Stimulate a harder and more powerful erection ■ Exclusive design maintains your erection (use my exclusive Comfort Fit Erection Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm.

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock.I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

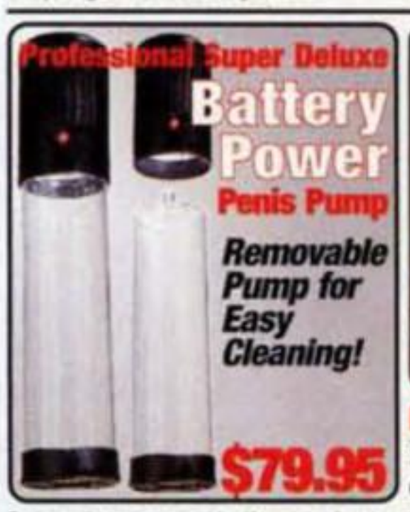
After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. www.enlarge-penis.com

The Pump is directly connected to the side of the clear Penis Cylinder. The air flows evenly and smoothly from the Pump to the clear Cylinder for faster vacuum response. Only a couple of strokes from the extra long 10 inch piston assembly is all you need for Penis Enlargement. The low cost makes it possible for anyone interested in Penis Enlargement to have a Dr. Bross Pump. **Reg. $65.00 now only $19.95**

Exclusive design with Direct Sealed Penis Pump connection to the clear Cylinder. Instead of a one piece centric pump, with the Dr. Bross Power-Flow Pump you can remove the Pump for easy cleaning of the Cylinder. The Power-Flow requires a minimum of pumping to achieve Penis Enlargement. For men who want immediate results in the shortest possible time. **Reg. $90.00 now only $29.95**



Features the only enclosed self-contained motorized housing battery pump. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for Penis Enlargement. Important Exclusive Features: The self-contained motorized electronic unit can be removed to clean the clear cylinder tube. Other battery pumps with parts imported from the Orient have the motor, wires and batteries attached to the tube and with use and cleaning will rust and damage the motor and batteries. Includes the exclusive Dr. Bross clear injection molded cylinder for easy cleaning. **Reg. $260.00 now only $79.95**

phoebe royally pissed

PHOTOGRAPHY BY EIP INC.

"Mother was right about men," recently jilted Phoebe mopes, absentmindedly fondling her tender nips. "They'll fuck you six ways to Sunday, jizz on your face, then leave you without a pot to piss in. When my sugar daddy, Mr. Rossdale, found a new nympho, I knew my time as a kept woman was short."

Phoebe grins, dropping her panties and squatting. "Before he could kick me to the curb, I stole his priceless crystal punch bowl."

A vengeful stream of piss erupts from Phoebe's cooze. Her hot pee drains into her former benefactor's valued antique and spatters Phoebe's curvaceous thighs.

"Evening the score eases the pain in my heart," Phoebe sighs, "but my pussy still aches with loneliness. What I need now is a nasty rebound fuck."

PETER NORTH, AKA MATT RAMSEY

"MY PRIVATE FORMULA PILLS INJECT INCREDIBLE SEX PERFORMANCE RIGHT INTO YOUR PENIS!"

THE BEST KEPT SECRET OF THE PORNO STARS!

My name is Peter North. In the world of adult videos I'm known for my ability to produce a full erection: jutting upward, veins throbbing, as hard as mahogany – virtually upon demand! And I can sustain that erection through take after take – retake after retake – long into the night, if necessary. I personally perfected **POWER PILLS** to make sure I have this highly charged sex performance day after day, night after night! Take my **POWER PILLS** – highly concentrated doses of ingredients I've proven to really work – and you can be a star in any bedroom. ***You can have a POWER PILLS erection like mine. You can develop incredible erection sustaining and climax control just like mine!***

"POWER PILLS increase the volume and intensity of my orgasm and help me shoot those 6 foot pop shots! I bet my reputation on them... because I developed the formula!"
– Peter North

ENJOY INCREDIBLY FORCEFUL, LONG LASTING CLIMAXES!

Cameramen tell me that when I finally cum, it's like a fire hose let loose! I shoot jism four... six... eight feet in the air. And it just keeps cumming, – huge, gooey, white streams firing volley after volley. ***Just keep using my POWER PILLS and you'll have gigantic geysers of climaxes! Climaxes that just keep blasting in wave after wave of sheer ecstasy!***

GET IT HARD! KEEP IT HARD! SHOOT IT HARD!

I know there are other preparations out there – I've tried most of them. But I can prove – as nobody else possibly can – that mine really works. They are produced under rigid controls to ensure maximum potency (if my name is on it, it has to be perfect). After all, on tape after tape, my proof is right there for the world to see!

4 HOUR HARDCORE VIDEOS *as low as* $1.81 PER VIDEO

LIMITED AVAILABILITY!

1. ALL 4 HOUR VIDEOS ARE SPECIAL PRODUCTIONS
2. CONTAINS VERY STRANGE AND UNUSUAL SEX
3. THESE VIDEOS NOT AVAILABLE IN STORES

the FREAK SHOW
banned video collection

This is not the slick, predictable porn product churned out by the big video companies. All of these tapes were created by independent filmmakers whose productions were banned by the censors for being too strange, too disturbing, too nasty, and too hot. Don't let the plain white box covers fool you. Inside is the wildest stuff you've ever laid eyes on!

1. **HIDDEN TOILET CAMERAS** Real women caught in their most intimate acts, and they're completely without a clue that anyone is spying on them. All the thrills of peeping and none of the risks. Private pussies dripping with pee are only some of the treasures you'll find here.
2. **GAPING GRANDMAS** These mature, experienced vixens have an insatiable hunger for the hard throbbing meat of horny young studs. Taking inches and inches of lust inside every one of their horny holes, these old ladies don't stop fucking and sucking 'til every dick is dry.
3. **AMATEUR ANAL GAPERS** They ain't in it for the money, but these butt-sex babes can open up the brown eye and say "Ah," with the best of the jizz biz's ass fuckers. The difference is these girls are doing the dirty deed for the sheer love of it, not for fame.
4. **ANIMAL INSTINCTS** Nothing and no one is safe when these farmgirls come into heat. They suck and fuck everything in sight, then they come back and do it all over again. Their lust has no bounds, and their natural beauty will bone you up!
5. **BEAUTIFUL WOMEN WITH DICKS** Banned in 11 states, this video is finally available for those special collector's who crave something beyond the norm. They have fashion model faces, centerfold tits, and legs like strippers – plus six inches of pulsing male desire!
6. **UNUSUAL SEX PARTNERS** The pinnacle of the perverse in this twisted flick is the siamese twins getting it on. Two sisters who look exactly alike and are connected at the hip perform the prurient acts hard dicks crave. You've never seen anything quite like it!
7. **OBESE BEAUTIES** Fat girl lovers will dig the action in this all-girl, orgy-action delight that features huge honeys with even bigger libidos. Sagging flesh rolls of fat, enormous hanging jugs, and incredibly big asses make this a fatty wet dream come true.
8. **BEARDED BUSHES** Tired of that late '90s porn star shaved puss look? Do you yearn to run your fingers and tongue through a luxurious thatch of snatch carpet? Aching for the feel of her short hairs tickling your shaft? Congratulations, you've just found what you needed!
9. **HERMAPHRODITES** Does the thought of watching someone suck cock and eat pussy on the same person sound appealing? Worshiped in ancient times as totally complete beings, these freaks of nature turn on men and women alike, straight or gay.
10. **WORLD'S BIGGEST DICKS** Check out 15-1/2" of stiff meat probing the tiny mouths and petite pussies of tender young things. Starring John Holmes, Hay Victory, Sean Michaels, Peter North, and a boatload of big-bone boffers. More than 45 cock inches in all!
11. **BREAST ABNORMALITIES** A cute, young blond coed who gets fucked while eating pussy is a wonderful thing to see, but when that teenage beauty also has six tits, it becomes a marvel one must witness over and over again. See it to believe it.

KINK'S ULTIMATE COLLECTION

Don't bother combing the video stores, looking for these titles. These tapes are not available in retail outlets. You can only get them here. The plain white box covers are testimony to the extreme nature of these banned movies. The images they contain are too nasty to print.

12. **UNDERGROUND SEX RAVES** The booze and the love drugs are flowing. The music hypnotizes the crowd and soon clothes and inhibitions are shed. Wild orgies of ecstatic sensations ensue and you are there, thanks to the filmmaker's hidden camera!
13. **IMPORTED UNDERGROUND SEX SCENES** Check out Europe's nastiest, foxiest amateur babes fucking and sucking for the total sexy thrill of it. Sex amateur style is great. European sex is hot. Combine the two and you'll soon explode with creamy, cascading lust!
14. **XXX HIDDEN CAMERA VIDEOS** If snooping on luscious single girls as they bathe, pee, change clothes, and perform all those intimate feminine rituals excites you, your cock may not go down for a week after you've seen this little gem.
15. **RECORD BREAKING PENETRATIONS** Toes, feet, elbows, the kitchen sink, you name it and these horny ladies will stick it deep inside their lusty cunts. How they can fit so much so far in will boggle your brain and your dick. Check this out!
16. **ANIMAL INSTINCTS** It must be all that fresh air and wholesome food out there in the country. This tape sports a flock of farmer's daughters who act like they've never had a chance to get off before. They don't let any erotic experience escape them. Neither should you.
17. **FREAKY FETISHES** Regulation fucking and sucking ain't on the menu here. If it's strange, unusual, kinky, bizarre, perverted, and disgusting: chances are you can catch it here. This has all those things you love but won't dare admit to.
18. **TOILET TRICKS** Previously banned in 33 states, check out the all-wet action that happens behind the stall door. Couples, singles, fucking, peeing, masturbation, and more can be found on this one incredible video.
19. **PRIVATE PERVERSIONS** Straight dudes explore exotic and erotic techniques to make their cocks harder and their orgasms more powerful. Learn all that these studs have learned and have sex that's just as pleasurable and erotically powerful as the pros.
20. **MIDGET MADNESS** Score one for the little guy. Small men with big cocks delight, arouse and satisfy normal sized women in this mismatched love contest that shows what these mighty midgets are made of! An incredible display of testosterone power!
21. **BAD LITTLE GIRLS** They've wanted it for so long and now that they've finally turned 18, watch them get the fucking they've been hungering for. Cute, young and eager to learn, these beavers will do anything to have a chance to cum.
22. **NAUGHTY NINETEEN YEAR OLDS** One cock just ain't enough for these nymphos. Scene after scorching scene of teenage harlots taking on two stiff studs. Simultaneous mouth-fucking and pussy-pounding action await the savvy consumer who buys this one.

NO PORNO STARS HERE... JUST SOME OF OUR SATISFIED CUSTOMERS

ALL PHOTOS UNRETOUCHED

OVER 16 MILLION SATISFIED MEN USE OUR PROFESSIONAL

PENIS ENLARGEMENT Systems

YOU TOO CAN GO FROM MINISCULE to MAMMOTH & HAVE ERECT MEASUREMENTS UP TO 12 HUGE INCHES!

SIZE DOES MATTER!

EVERY DAY SINCE 1965 MEN IN 68 COUNTRIES ARE USING THE SUPRA-12 SYSTEMS!

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be, too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards – no more – no less. And with the SENTRY Prolong Ring, you **can stay as hard as you want, for as long as you want. IMPORTANT! All professional medical vacuum pumps (including $500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others.** The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure - EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry* ***GIVES YOU COMPLETE CONTROL!***

SAFE & EFFECTIVE... AN INCREDIBLE VALUE... 5 MODELS TO CHOOSE FROM!

According to **U.S. News and World Report,** our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between $300 to $650 or more! That's why the SUPRA-12, with the patented SUPRA Valve

LIBERTY, FRATERNITY, PUSSY

Proud cocks rise and pledge allegiance to snatch this July. Celebrating the birth of our great nation and the 26th anniversary of our greatest patriotic sex mag, HUSTLER parades glistening cooze down Main Street and straight into readers' pants. *Beaver Hunt* Grand Prize Winner Jenny returns, spreading her award-winning folds. Gash-friendly gearheads Strawberry and Sasha gorge on snapper, dripping flue juice all over the upholstery. Genesis declares her dependence on man meat when she marches to the dog groomer and polishes his bone. Proud to be an American? Stand up and salute when sultry, modern-day Daughters of the Revolution strip in the July 2000 HUSTLER.

PORN ROMANCE

Most men want to marry a perfect angel who's a whore in the sack, but what's it like when your ball-and-chain is actually paid to screw other men on film? Entertainment Editor Dick Pursel pops the question to hitched XXX starlets and finds out. Jenna Jameson plans to marry a civilian, the term used by porn insiders to describe normal folks. Jeanna Fine has been married to her civilian husband for more than six years. Their relationship is cited by others in the porn realm as ideal, but the same goes for Nina Hartley and her 16-year-long group marriage. Surf the ins and outs of the XXX world's conjugal conundrum in July's HUSTLER.

BEATING AROUND THE BUSH

When rumors fly, Texas spinmeisters respond with double-barreled damage control. Chip-off-the-old-block George W. Bush somehow continues to dodge allegations of coke binges, girl-bashing, insider trading and using his pop's political clout to take a pass on Nam. HUSTLER Correspondents Sam Anson and David Cogan dissect the slimy underbelly of modern politics, revealing how Bush and his cronies use every dirty trick in the book to fend off negative press. HUSTLER's Campaign 2000 coverage launches this July.

RED, WHITE AND COOZE

Stars and stripes aren't the only things flapping in the July wind. Pendulous breasts jiggle and shaved labes sway when HUSTLER's girls exercise their Constitutional right to let it all hang out. On the Web, investors have thrown money at everything except twat. In July, *Bits & Pieces* launches X-Trade, the first erotic-finance site for stiff-dicked daytraders. *Erotic Entertainment* tunes in to Pink Television, Misty Rain's stab at bringing porn to the masses. Dyed-in-the-wool fuck dolls prove that pussy pink never fades in the July 2000 HUSTLER.

July 2000 HUSTLER on sale May 2, 2000.
